## TO THE PEOPLE OF THE UNITED STATES.

TREASURY DEPARTMENT, )

Washington, July 25, 1864. dated July 25, 1864.

veloped the national resources, to an extent without the aid of a patriotic people, any alike unexpected and remarkable, exciting government is powerless, for this or any equal astonishment at home and abroad, other desirable end.

near its close, almost unimpaired in all the sees, the near approach of a final and fatal recovery of the cloth .- Millonian. consummation. Such, in my deliberate you are now engaged.

Up to the present moment you have readily and obserfully afforded the means necessary to support your government in it against traitors everywhere, with a pa- Zeitung. triotic devotion unsurpassed in the world's

The securities offered are such as should command your ready confidence. Much effort has been made to shake public faith Sunday afternoon, a small Rebel force in our national credit, both at home and abroad. As yet we have asked no foreign aid. Calm and self-reliant, our own means have thus far proved adequate to our wants. They are yet ample to meet those of the present and the future. It still remains for a patriotic people to furnish the needful supply. The brave men who are fighting our battles by land and sea must be subscription list and accounts; nothing men-but our men, drinking too freely of fed and clothed, munitions of war of all kinds must be furnished, or the war must end in defeat and disgrace. This is not the time for any lover of his country to inquire as to the state of the money market, or ask whether he can so invest his surplus capital as to yield him a larger return. No return, and no profit, can be desirable, if followed by national dissolution, or national disgrace. Present profit, thus acquired, is but the precursor of fu-New Orleans, July 30. - Information ture and speedy destruction. No investment can be so surely profitable as that
