and making it a brinking to hippen a data y and pass, dirculate, exchange or transfer "a nete of any Bask not located if Pennsylvania of a less decomi-nation than fird dollars," our Commonwealth is flooded with the probibiled notes, and exarcherly an isdividual can be found who is not in this particular a transgressor of the hay. This fact proves conclu-airedy that the primit notes are an abioping mocossity. The people must and will have them, and it seems to your committee that legislation on the subject about a birgerid to wards providing for us the boat and a side; currency which can be obtained. It is evident that to be cliness of any other flate, and of our gen, Baskr, issued on a specie basis, are bet-ter for circulation than those of any other flate, and ment and calculations were made on this bond; these were, is book and some papers. Mr. Wil-liams' previous reputation for bonesty was good. George Driden, who was also present, corrobo-rated the abdres in part. After defindant leit ho borough, Mr! Appel held the duplicate to collect the backurzi ie back izz Henry Brown, roller in Sheffield iron works, re-ded in Weit Pittsburgh in 1858. (Identified his signature to the bond is controversy as subscribing witness) The bond was executed at Appel's

store. Cross-samised-Did not see the defendant nor Mr. Appel Write their signatures. Told Mr. Ross, when saked about this matter afterwards, that I could not reducember signing the boud, but it was subject us to forer losses, Small notes of Banks would be after and batter, relativel; of other States in Backs would be safer and batter, relatively, to th of tother Statiste in a still greater ratio, and we see good reason.why they shuld be longer depied.
