The Chart Hambhester Paving Suits.

The cose of the Borough of Manchester vs. James
Boward, a repert of which we gave on Friday, was
brought be a close at soon yesterday. Judge Williams, in charging the jury, made some very just
liams, in charging the jury, made some very just
liams, in charging the jury, made some very just
liams by propriate remarks in regard to the general
branches which paving laws are based. A
pavad streat was a savantage to any community,
and particularly so to the person owning property
thereon. The principle that the cost of these imthereon. The principle that the cost of these im-

Court of Quarter Sessions.
Before Judges McCluro, Adams and Parke. Belove Judges McClare, Adems and Parke.

Rilsabeth Pope (colored) was indicated for the larcony of \$25 in bank bills, from the store of MeseraEaton, Gree & Macram, on the 26th of December.

It appears that the defendant found the index of
the floor, and afterwards denied having it, but it was
found in her possession. Verdict guilty, with a recommendation to the mercy of the court. She was
sentenced to three months imprisonment in the
county isil.

Reviews Joke - Man Hung up to a Lamp Friday moraing, a scene of an unusual character, and one calculated to raise no little ereitement, hilled. There were eleves iccows in the atable,

The shargents were then takee prisoners, and after brief consultation in two proposed eart. He was dragged into the street by several of the government, and thus propaged for an ignomisious death. He was dragged into the street by several of the government party, and when they reached to an ease of the failtree was principled. The sharpents into the proposed of the government party, and when they reached to accept the proposed of the government party, and when they reached the accept is post the rope was adjusted to the acch of Kenny, and the other end rows over the ladder stop.

The sharpents is the street by several of the government party, and when they reached the accreat islam post the rope was adjusted to the acch of Kenny, and the other end rows over the ladder stop.

The sharpents is a third that the latest property of the ladder stop. The sharpents is the ladder stop ong pall, and a poil to the stop of the sharpents is the ladder stop.

The sharpents is a musting and interesting a challenge of the sharpent of the stop of all must be received in the stop of the ladder stop.

The sharpents is a musting and interesting a challenge of the sharpent of the sharpent of the stop of all must be received in the stop of all must be received in the stop of the sharpents and the stop of the sharpents are the sharpent of the sharpents are the sharpent of the sharpents and the sharpent of the
