Ayer's Hair Vigor,

FOR THE RESTORATION OF GRAY HAIR.

This preparation will, in a few days, restore Gray Hair to its original color, with the softness and beauty of early youth. It will prevent the hair from falling off, and consequent baldness. Thousands who are prematurely bald, or whose hair is falling off, may use this Vigor with the certainty of producing a new growth of hair, except in cases where the roots are entirely destroyed or the glands decayed. Nothing can restore hair to such cases, but the hair will be saved from falling, the scalp cleansed and purified, and rendered healthy. Those who are troubled with dandruff or scurf will find in this preparation a most agreeable dressing, which will keep the scalp white and free from dandruff. Ladies who desire to have their hair dressed in the latest fashion, will find this Vigor superior to any other preparation in use, as it will keep the hair in place any length of time. Those who are getting bald, or have bald heads, should not be deceived by the many preparations which are said to be "just as good" as Ayer's Hair Vigor, but should give this a fair trial, and be convinced of its superior value.
