Office ... Third Day of the Week ... of Seven ... Moon.

So pitiful a thing is man's pride!
Man's loftiest aim is low, vile and false
Hath brought to result, to pass for bad pains,
That bad have found, and mean a one task mist!
Full little I learned them, that best and tried,
What half 'tis it is eating long to hide:
To lose good days, that might be better spent;
To waste long nights in pensive discontent;
To spend to-day, to be put back to-morrow;
To live out one life in pain with fears and sorrow;
To hate thy friend-grace, yet trust her Power;
To have thy asking, yet want more power;
To feel thy roots with aromas and with earth;
To miss thy hearth-rough roof-rites Dryadic;
To fancy, to presume, to exist, to rise, to reach;
To plead, to give, to ask, to be asked for;
Deep-pain night, learn to Heaven's grace;
That such life life is so long lived soon spend!
Who would not gladly, if he might, undone make
In his existence, without pride or hate,
Practice all things needful for continuous waste,
And yet in leaving, for their own sakes to waste,
Or hope to gain, himself will a draw rein.
That cares God spit unto mine mouth!

THE CEREAL AVALANCHE PREPARING TO MOVE.—The amount of grain and breadstuffs now in store at the western ports, waiting to come forward to Buffalo and Oswego on the opening of lake navigation, is almost incomprehensible. The railroads are bringing produce from the interior every day, and the canals already partially opened, are assisting in the transportation. New storehouses and elevators, one of which we mentioned yesterday, are being erected in Chicago, Milwaukee, Green Bay, and other coast cities, calculated to store enormous quantities of wheat and corn. At Chicago, on Monday last, the floor, wheat and corn held for shipment was thus stated:

Flour, bbls	60,745
Wheat, bu	1,547,565
Corn, bu	1,389,415

This, reducing flour, presents a total of nearly 3,000,000 bushels, which united with the quantities held in readiness for shipment in the other ports, will keep all the vessels on the lakes busy for half the season.—[Buff. Advertiser.

The "Chicago Tribune," referring to the threat of Jefferson Davis to march upon Washington, says,

"It would not be surprising if the marching of fifty thousand "confederates" upon Washington followed by the marching of one hundred thousand Northern upon New Orleans. The game of invasion is one which is pretty to play at, and it may be cheaper in the end to defend Chicago, St. Louis and Cincinnati at the mouth of the Mississippi than anywhere else.

THURLOW HOOD, being in company, where he said something humorous, in rhyme to every person present, Mr. Winter, the late collector of taxes being announced, made the following impromptu:—

Here comes Mr. Winter, collector of taxes,
I advise you to give him whatever he axes;
For though his name's Winter his actions are summery.

MARY contend this's State should be responsible for the niggers stolen by its citizens. Perhaps, too, a State should be responsible for the money stolen by its citizens. How would Virginia and Mississippi like to be responsible for the stealings of Floyd and Thompson?—[Louisville Journal.

We see no indications of a better condition of feeling between Louisiana and South Carolina. It is not at all improbable that the pelican, which subsists entirely upon serpents, may one of these days deposit the rattlesnake in his pouch, and, as he is an obedient bird, defile the palmetto.—[Louisville Journal.

It is justly held to be a great crime to steal a nigger or even a mulatto, and yet the secession leaders of New Orleans, kidnapped $100,000 "yellow boys" at once.—[Louisville Journal.

WM. H. RUSSELL, the well known correspondent of the London "Times," will, it is said, come to this country to describe men and things at the present juncture.

THE American Sugar Maple tree has been planted, separately, in the woods of Boulogne, in order to test the practicability of acclimating the tree in France for its yield of sugar.

A PANORAMA is exhibited at Liverpool showing the progress of the Prince of Wales in this country, and contains views of the principal cities and towns through which he passed.

ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh, at the office of Dr. Kidd, No. 140 Wood st. He was entertaining patients with brief stories. One of my lungs and the bronchial tubes were found to be badly diseased. Others called I coughed. I expected hourly that I would burst in the breast. I had night sweats, could not sleep, and was greatly debilitated. Dr. Schenck prescribed for me his "Pulmonic Syrup," "Sea-Weed Tonic" and "Mandrake Pills," and told me to call on him again. I was so far convinced that I did not pay more than half my money, and did not call for more; just as I owed to Dr. Schenck's skill, and nothing else, I was cured. I am well now, and feel like a new man. You may publish this if you wish.

MARTIN KNOX,
Late Lieut. 2d Regiment Penn. Cavalry.

N.B. Since the above was written, Mr. Knox has called on me, and says he is entirely restored to health. He looks so.—J. H. SCHENCK.

I, WILLIAM W. ANDERSON, residing on Allegheny city, do hereby certify that I have for about eight years ... During the time of this time I have had general debility and disruption of spirits. I tried every nostrum I could hear of, but nothing took hold of my disease. I heard of Doctor Schenck's "Pulmonic Syrup," and ... I was induced to use it. I took about a bottle ... I found myself improving, and ... I have used ... I am now entirely well, and I attribute my good health to the use of Dr. Schenck's Pulmonic Syrup, Sea-Weed Tonic and Mandrake Pills. I have no hesitation in saying that I believe Dr. Schenck's Medicines are valuable.

Miscellaneous.

A Card to the Public.

The approach of fickle and musical misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been in roughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES

Have now been before the public for a period of 30 YEARS, and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have cured diseases pronounced from the very verge of an INCURABLE STATE, after all the deception practices of the day have woefully failed. In great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were ignorant of the scientifically philosophical principles upon which they are compounded, and upon which they consequently act. It was to their scientific and sensible action in purifying the springs and channels of life, and making them with renewed tone and vigor, that they were indebted for their cures.

MOFFAT'S LIFE PILLS!!!

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by chemical tests. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable tonic and aperient, of a gentle saponific, promoting the insensible perspiration, of a pleasant diuretic, invigorating the kidneys and bladder, and of a delightful tonic cordial, exciting physiologically the healthful action of digestion and assimilation, and thereby that grateful and nutritious blood which is one of the most judicious bulwarks of our safety.

THE PHŒNIX BITTERS!!!

Do fundamental four their unparalleling power of invigorating new tissue and strength, of it is from this very action of the stomach, digestion, assimilation, and nutrition, that the most immediate invigorating effects of the Phœnix Bitters, and more immediately invigorating than the Pills, consisting the same health vegetable extracts as the latter, in a different medication. Although really less catharticin the Life Pills, they nevertheless bring to clean the alimentary canal much sooner, generally slightly operating within three or four hours, and producing a certain sense of relief to the Head and Stomach, and exhilarating the Mind, even in less time than this.

MOFFAT'S LIFE PILLS!!!

In Affections of the Head, such Headaches as Nervous Headache, these Pills are found to be the means to possess the most sanitary influence.

MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, WITH INVARIABLE SUCCESS!

BILIOUS COMPLAINTS AND A SURE CURE!!!

As a well-regulated and proportionate quantity of bile upon the stomach is absolutely requisite for the promotion of good health, and as the Liver is the only source from which the said bile is produced, it is evident that any disease of the liver must be followed by a corresponding derangement of the stomach. When there is an INCREASE of bile, the body is constantly costive. On the other hand, there arises from a DEFICIENCY of bile causes frequently of the stomach, and often produces very severe attacks of disease, which often lead to death.

Dr. Moffat's Life Medicines!!!

Should be taken in the first instance of BILIOUS complaints, and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

PILES! PILES! PILES!

As a remedy for the most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and unequivocal recommendation. It is well known to hundreds in this city that the Phœnix Bitters and Life Pills are the MEDICINES who BLESSED AFFLICTED with this complaint for upwards of FIFTY YEARS, and that he is of so relatively speedy practitioner without the slightest inconvenience. Moffat's Life Medicines operate upon which they are compounded, and upon which they consequently act. It was to their scientific and sensible action in purifying the springs and channels of life, and making them with renewed tone and vigor, that they were indebted for their cures.

THE LIFE MEDICINES!

For BILIOUS and LIVER COMPLAINTS with their many sufferings, such as SICK HEADACHE, LOSS OF APPETITE, GIDDINESS, DISGUST for FOOD, FULNESS or BLOATING after EATING, PAIN in the STOMACH, SOUR ERUCTATIONS, SINKINGS or FLUTTERINGS at the PIT of the STOMACH, SWIMMING of the HEAD, HURRIED and DIFFICULT BREATHING, FLUTTERING at the HEART, CHOKING or SUFFOCATING SENSATIONS when in a LYING POSTURE, DIMNESS of VISION, DOTS or WEBS before the SIGHT, FEVER and DULL PAIN in the HEAD, DEFICIENCY of PERSPIRATION, YELLOWNESS of the SKIN and EYES, PAIN in the SIDE, BACK, CHEST, LIMBS, &c., SUDDEN FLUSHES of HEAT, BURNING in the FLESH, CONSTANT IMAGININGS of EVIL, and GREAT DEPRESSION of SPIRITS, are INVALUABLE. In fact, in all cases of DISEASE or DERANGEMENT of the INTERNAL ORGANS, they will be found to act with the most happy effect. It is a medicine composed entirely of VEGETABLE INGREDIENTS, and is perfectly free from MERCURY, or any other MINERAL, and may be taken at all times without any CONFINEMENT or CHANGE of DIET, as the most delicate constitution can be exposed to the influence of these PILLS without the least inconvenience.

MOFFAT'S

Life Pills and Phœnix Bitters!!!

Cure Dyspepsia, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the dark and vitiated kind usually found in this disease. Cure Jaundice, by thoroughly cleansing the blood and removing the cause of the disease. Cure Sick Headache, Giddiness, Nausea, Loss of Appetite, Costiveness, Indigestion, Dysentery, Diarrhœa, Colic, Inflammation of the Bowels, Piles, and all Derangements of the Internal Viscera. In short these Pills have never been equalled in the world for the cure of all diseases arising from a disordered stomach or torpid liver. They are mild in their operation, but powerful in the cure of disease. It is confidently asserted that these Pills contain more purifying medicine, and will cure more cases of Liver Complaint, Dropsy, Jaundice, Fever and Ague, Fever Sores, Scrofula, Erysipelas, Cutaneous Eruptions, Tetter, Salt Rheum, Scurvy, Ringworm, Coughs, Colds, Consumption, Bronchitis, Asthma, Pain in the Side, Back and Limbs, Rheumatism, Female Complaints, Gout, Nervousness, Nervous Debility, Blotches on the Skin, Hot Flashes, Sinking Spells, Diseases arising from the Use of Mercury, Minerals, Poisons, Impure Blood, Fevers of all kinds, Inflammation of the Lungs, Pain in the Region of the Kidneys, and all Diseases of the Urinary Organs, these Pills are unequalled by any other Medicine in the known world. Explicit directions, with each box, how to use them in all cases. Every person is his own Physician while using these Pills. No change of diet is necessary while using them. Every person will consult his own feelings in this respect. For full particulars, get a pamphlet, which may be had gratis of any Agent. Price 25 cents per box.

MOFFAT'S PILLS AND BITTERS!!!

Put it in remembrance of remember the many cases in which these powerful vegetable medicines have been used, and not had to be applied. What may they be entrusted to their hands? Why, because they PURIFY THE BLOOD, and thus remove all cause of disease in its system.

Because they act powerfully upon the receptacles of the body, and remove all impurities at once.

Because they do more than remove disease, but invigorate it, even while expelling an enemy from possession or assisting during their operation.
