War, and the Trade and Commerce of the War.

[From the Cincinnati Gazette.]

War could hardly have fallen upon the West when it was in better condition for enduring it than now. The country is full of produce, for which there is a good foreign demand. Our lines of transportation are all within our own control. Navigation is just opened, and the means of regulating exchanges are all in existence, and all beyond the reach of the contingencies of the War. In addition to this there is a large Southern demand for our produce, which, whether through the medium of the Border States, or directly, must be supplied from our markets.

Under these circumstances, it is difficult to see how the War is going to cause any very great disturbance of business, provided the attitude taken by our own people and preparation adequate to the occasion, place us beyond any possibility of attack, and relieve trade from any fears on that score.

This will suggest that there is no interest so materially concerned in prompt and vigorous preparations to secure the public safety, as the interest of trade. We may remark, too, that no interest is more concerned in putting down, once and for good, the attempt to inaugurate rebellion into our Government as a means of carrying or reversing the elections. In Great Britain, the nation to which we most assimilate in our mercantile genius, the mercantile class has always distinguished itself by its patriotic support of the Government, when its honor or safety was threatened. Doubtless the American merchants will not be behind their British neighbors in this duty.

The element which has usually been the means of financial panics is the paper currency, but this has now been so thoroughly sifted by the panic which followed the outbreak of the rebellion, that there is not the material here, nor in Ohio for any serious currency panic. Indiana and Kentucky bank notes make up the chief part of our currency of foreign banks. Indiana is in as favorable condition as Ohio in respect to surplus produce, and her State banking system is just as safe as that of our neighbors. The same may be said of Kentucky, and her banks have established a high character. Kentucky has no real interest in common with the Secessionists. Probably a majority of her people are loyal to the Union. But there is a band of reckless political leaders, who will do all in their power to precipitate that State into the rebellion. Should they succeed, it will naturally impair confidence in her bank notes. This tendency will be increased by the reflection that Secession has thus far been followed by suspension of bank redemptions, and in fact of all payments.

But the retirement of Kentucky currency by this event will probably be so gradual that it will cause little financial disturbance; while the money for our provisions, which the South must have, and which it will have to pay for in something equivalent to specie, will supply any such vacuum.

It is now difficult to see why our trade may not generally go on without any great disturbance, and why a moderate commercial prosperity may not be enjoyed, while the duties of good citizens to the country are fulfilled.

War or no War.

The seceders marched in armed bodies, and compelled the guards of the United States forts and arsenals to surrender them; BUT IT WAS NOT WAR.

With arms in their hands they captured millions of dollars' worth of cannon, small arms and munitions of war, belonging to the United States; BUT IT WAS NO WAR.

They seized the ships of the United States; BUT IT WAS SO WAR.

They seized the mints and the money of the United States, and applied them to their own use; BUT IT WAS NO WAR.

They fired on an unarmed ship carrying supplies to a fortress of the United States; BUT IT WAS NOT WAR.

They are besieging the fortresses of the United States, have surrounded them with military works, and cut off their supplies; BUT IT IS NOT WAR.

But if the United States attempt to relieve their beleaguered garrison, or even send them provisions in an unarmed vessels, IT IS WAR.

If they attempt to transport a cannon from one fort to another, or from a foundry to a fort, IT IS WAR.

If they transfer a soldier from fort to fort, or from State to State, IT IS WAR.

If they send out a ship to protect their loyal citizens, IT IS WAR.

To talk of executing their laws, protecting their commerce, or collecting their revenue, IT IS WAR, HORRIBLE WAR.

Since the foregoing was written, the rebels have fired on Fort Sumter. IS THAT WAR? —[Washington Star.

ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung disease. One of my lungs and the bronchial tubes were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated Dr. Schenck prescribed for me "PULMONIC SYRUP," "BLOOD PILLS" and "MANDRAKE PILLS," and after taking them one month I have so far recovered that I do not spit any more blood or matter, all the cough is nearly left me. I live in Columbiana county, Unity township, Ohio, where I am well known. You may publish this if you wish

Pittsburg, August 27, 1860. MARVIN HOOK.

N B. Since the above was written, Mr Hoch has entirely recovered, and continues well, having regained his usual health.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for about eight years. During the whole of this time I have had general debility and depression of spirits. I tried many remedies and hear of but nothing took hold of my disease. I heard of Doctor Schenck's "PULMONIC SYRUP," but knowing no one personally that it had cured, I had no confidence in it. In April, 1859, I took a severe cold, accompanied with a violent cough, difficulty of respiration, and night sweats, which so prostrated me that I was confined to my room for two months.

Several of my friends who called to see me, spoke in very high praise, as they knew what it had done. My prostrated system gave way to overwhelming, and I made up my mind to waste no more money for doctors or medicine, but rely entirely on the above, if I died or not. I had been so long sick that I felt completely discouraged. However, after reading several advertisements in the "Pittsburgh Dispatch" I finally made up my mind to give Dr. Schenck's medicine a fair trial, and now, nearly *two years afterwards*, I am in good health, by taking *less than two dollars' worth* of Dr. Schenck's medicine. I simply state the fact for the benefit of others. I enjoy better health to day, Feb. 4th, 1861, than I have done for twenty years past. If persons knew the value of Dr. Schenck's therapeutic remedies, they would not hesitate to call on him in his visits to this place. I feel like advising every person to call on him, as I have the utmost confidence in his medicines. Any person wishing to know the facts as here stated can call on me at my place of business, at Wm. M. Faber's, Merchant, in this city, over the Second avenue bridge, Allegheny.

Miscellaneous.

A Card to the Public.

THE amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES
Have now been before the public for a period of 30 YEARS and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS
of certified instances, they have EVER RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS!!!
Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable dete gent aperient; of a gentle saponific, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cardiac, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most felicitous feelings of our nature.

THE PHŒNIX BITTERS!!!
So denominated from their astonishing power of creating new life and strength, as it were from its very ashes of the most dilapidated constitutions—are more strongly tonic and more immediately invigorating than the Pills possessing the same choice vegetable extracts as the latter, to a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to cleanse the alimentary canal much sooner; generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilerating the Mind; even in less time than this.

MOFFAT'S LIFE PILLS!!!
In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most salutary efficacy.

MOFFAT'S PHŒNIX BITTERS!!!
Have been happily used for the cure of FEVER AND AGUE, WITH INVARIABLE SUCCESS!

BILIOUS COMPLAINTS, AND A MODE OF CURE!!!
A well-regulated and proportionate quantity of bile upon the stomach always regulates for the promotion of sound health—it at once digests and keeps in healthy natural condition the alimentary canal. When there is a deficiency of bile, the body is constantly costive. On the other hand, an overabundance of bile causes frequent nausea in the stomach, and often promotes very severe attacks of cholera, which sometimes end in death.

Dr. Moffat's Life Medicines!!!
Should be taken in the EARLY STAGES of Bilious complaints and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

PILES! PILES! PILES!
As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of thirty years, and that he at last found a safe and speedy remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced absolutely impossible, but absolutely impossible, by any human means.

MOFFAT'S
Life Pills and Phœnix Bitters!!!
CURE DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind. FEMALES! LOOK UP APLENTIFE. HEADACHES, HEDICHES, HEWLEBEHES, ILL TASTE, ANXIETY, LASSITUDE, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE
LIFE MEDICINES!
For BILIOUS and LIVER COMPLAINTS, with their many well-known attendants, *Bilious and Sick Headache, Pain and Sickness at the Stomach, Giddiness, Dizziness, Sourness, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES,
Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!
The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been preyed upon by the insatiable disease, are proved by undeniable authority of the sufferers themselves, to have been completely cured by those purely Vegetable Medicines, after all others had been found more than useless.

Acute or Inflammatory Rheumatism!
ANTHROSIA OR CHRONIC RHEUMATISM!!
These diseases, which are among the most painful, and, by ignorant treatment, the most intractable to which sufferinghumanity is liable, are cured, *speedily* and *permanently* cured, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!
But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful, but let no inquire, Why are they so UNIVERSAL in their happy effects?

Because they PURIFY THE BLOOD, and these remove all cause of disease in the system.

Because they exercise a powerful upon the secretions of the body, and remove all impurities at once.

Because they do not reduce the system, but largorate it—thus requiring no restraint from pleasure or business during their operation.

TRY MY MEDICINES!!!
Try but a Single Dose of the
LIFE PILLS!!
TRY THEM! BE SATISFIED!!
BE CURED!!!

RICHARDSON'S
IRISH LINENS,
DAMASKS, DIAPERS, &C.
CONSUMERS OF RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm,
J. N. RICHARDSON, SONS & OWDEN,
as a guarantee of the soundness and durability of the Goods. This caution is rendered especially necessary, as large quantities of inferior and defective Linens are imported, season after season and sealed with the name of RICHARDSON'S, by Irish Houses, who, regardless of the injury they inflicted alike on the American consumer and the manufacturers of the genuine Goods, will not readily abandon a highly profitable trade. Purchasers can be imposed on with Goods of a worthless character.
