I have only to add that the itemuit of popular passion should not disturb its deliberations within the halls of justice. SAMUEL HARE, PROPRIETOR Wastikotos, May:1.—Orders have been issued to the commanders of regiments and independent companies, to make their reports to the flead-quarter's Department of Washington, stating, among other things, the strength of their command, the character of their arms, the supply of ammanition, the dagree of proficiency of their drill, and the character of the same; if they understand the drill as alimnishers; if they have practiced at the target and the fange, and proficiency thereof, and if they know the manuel of the bayonet exercise.

Among the unfounded reports of to day was one that the War Department received a dispatch, stating that the Confederate State troops were concentrating in Virginia for an immediate raid. Military men have no foars on that subject.

Warmwaron, May 1.—The Secretary of the Treasury has advertised for proposals to be received until the 30th insti, unless the amount offered be sconer taken at par, for nearly \$14,000,000 of the stock of the United States, usder the act of Jane, 1800, authorizing a loan and; providing for the redemption of Treasury notes.
