THE LATEST NEWS. BY TELEGRAPH.

The London Times points out the fact that America has beverotors industricingly yindicated principles and made precedents, all of which now go to the contraction of her own beliligerant rights. She such held privateering and denied the right of search, held privateering and denied the right of search, and both of these are now inrared against them.

Mr. Bartir gave notice in the House of Commons that he will sak the government if it intends to say Palliament to vote 276,000 for the Galwy contract.

One quarter of the town of Simoges, France, has been destroyed by fires.

The harrest prospects in France were very bad, owing to the inclement weather. The freit crop was lost and the wheat crop seriously damaged by frost irreparable damage had been done to the brandy crop at Cognac.

It is started that American agents had reached assaination of Count Tekell. The Prevident of the Lower House anchored that be had been found murdered in his own residents. The House raiseds of the theory of the theory of the the stilled and you despit and several indice in the galleries were carried away isisting. M. Deak, he a voice of the the stilling of the first the month of the part of the the stilling of the first of the them of the stilling of the first of the them of the stilling of the first of the them of the stilling of the state of Path were highly excited. It was alteged that Count Takell had committed and the command of Major Getty, strived bare on Sanday morning, and encomped in the Orphan Asylam's lot. They leave for Camp Dannison this morning.

There are now sisten thousand Ohio volunteers at Camp Dannison.

Astron Harlan was omitated for Congress in the fort of the hridge which spare the Hamm Canal, at Fourteenth streat, pestericly starmed, at Fourteenth streat, pestericly starmed and children. No case was drowned, but reversing the personal to the carry of the part of the stream of the theory of the brigge which spare the Hamm Canal, at Fourteenth streat, pestericly starmed and children. No case was drowned, but reversing the personal to the carry of t early attack is no longer matter of doubt, but by which route the force will go is endeveloped.

At Culpepper Court House, Brig. Gen. Cocke has 6,000 wel. armed troops, who are in expectacy of an early assault. Scattered at convenient points between Alexandria and in it are nearly 3,000 troops, who are not expected to made a stand or show fight until they have returned to the main body at Culpepper.

How the Borth will Proceed.
Government his definite information on these points, and it is considered by military authorities that the proper course will be to march direct to Culpepper, and thence if possible to Charlotter, ville, where are now 2,500 troops, and these to Lynchburg, as may be desimed best... There will also be dispatched force by Aquia Creek, and a large force by way of Norfolk, so that on all eides Bichmond will be surrounded.

Probably the first battle of encounter will be at Culpepper Court House, which is a town of 1,000 inhabitants, about 60 miles from Washington and 100 from Richmond, though the route is somewhat circuitons. We are not permitted to each more than this mare quilties, even of a premise, but the public mind, on account of the suppersists of the federal course ment towards. Secretarily 7s | O Martin, |

IAON CITY COLLEG.—Is consequence of the closing of many of the acnois, caused by the diamaged state of affairs throughout the country, a full Mathematical Department under the special charge of Prof. J. C. Smith, A. Ma, as experienced and successful instructor, is henceforth to be consected with this popular institution. Prof. B. Or Mathematical Department of the profession, and is acknowledged by many bit as the profession, and is acknowledged by many bit as the profession, and is acknowledged by many bit as the profession, and is acknowledged by many bit as the profession, and is acknowledged by many bit as the construction of mathematics.
