TUESDAY MORNING, MAY 21.

Colonel Alex. Crow, U.S.A., of Crowsville,

Brigadier General Cocke, C. S. A., of Va.

Cocks a doodle doo!
Over the Ridge sailed "Flim"
Back to "Tide Water," too,
On every certain Chanticleer
Rings Cocks a doodle doo!

Cocks a doodle doo!
Well, what's the matter with you?
Why make you such ado?
Let a man have new what you know
Your Cocks a doodle doo!

Cocks a doodle doo!
Just wait for a day or two,
And you and your rural crew
The Lincoln stem will sadly learn
Of Yankee doodle doo!

Floyd's Treason.

As to arms, the "Richmond Examiner," which has been for some time the mouthpiece of Floyd, has the following valuable information, put in by Floyd, probably, as a claim upon the Montgomery military despots for an office of some kind. The "Examiner" says:

"The facts we are about to state are official and indisputable. Under a single order of the late Secretary of War, the Hon. Mr. Floyd, made during last year, there were over one hundred and fifteen thousand improved muskets and rifles transferred from the Springfield armory at Watervliet arsenal to different arsenals at the South. The precise destination that was reached by all these arms we have official authority for stating to have been as follows:

	Pere's	Altered	Pere's
	Muskets.	Muskets.	Rifles.
Charleston (S.C.) Arsenal	9,290	5,720	2,000
North Carolina Arsenal	15,408	9,520	3,000
Augusta (Ga.) Arsenal	12,380	7,620	2,000
Mount Vernon, Ala.	9,220	5,720	2,000
Baton Rouge, La.	18,520	11,420	3,000

"The total number of improved arms thus supplied to five depositories in the South, by a single order of the late Secretary of War, was 114,868. What numbers were supplied by other and minor orders, and what numbers of improved arms had, before the great order, been deposited in the South, cannot now be ascertained."

Over and above these 114,868 improved arms thus stolen by Floyd by a single order, from the Government one of whose highest officers he was, a Memphis paper gives the following list of "seizures" of federal arms by the multineers at certain depots other than those named in Floyd's list:

Baton Rouge	70,000
Alabama Arsenal	28,000
Elizabeth, North Carolina	30,000
Fayetteville, North Carolina	20,000
Charleston	23,000
Norfolk	7,000
Total	183,000

It thus appears that nearly 300,000 of the best arms of the Federal Government were, by the deliberate treason of John B. Floyd, transferred from Government arsenals to convenient depots in the South, where they could be seized at any moment by the mutineers.

What the Yankee Is.

We copy the following eloquent extract from a speech delivered by Mr. Corwin of Ohio, in the House Representatives on the 23d and 24th of January, 1860. It is appropriate to the times:

"My colleague (Mr. Cox) spoke of a meeting upon the Western Reserve in Ohio. * * He amused himself with the cosmic power he possesses in imitating the nasal twang of the Yankees of that Reserve. It sounded strange to you as it did to him, and so it did to the army of Prince Rubert at Marston Moor, when the ancestors of these men rushed into battle against the mailed chivalry and cried darlings of the court of Charles I. What happened then? Something worthy to be noted, and not forgotten. Stout Cromwell and his roundheads—invincible, when the day was well nigh lost, charged with resistless fury upon the proud columns of that host of gentlemen, as they were boastfully denominated, and lo! Prince Rubert and his host were no longer there. They were scattered as the dried leaves of autumn are before the storm blast of the coming winter. That same nasal twang rang out on that day their well known war cry, 'The sword of the Lord and Gideon.'

"These Yankees are a peculiar people; they are an industrious, thriving pains taking race of men. The traditions of those men grow out of their living virtues—those stern virtues which founded liberty in England, and baptised it in their own blood upon Bunker Hill in America. They will do so again if there is a necessity for it. It is a hard matter to deal with men who do verily believe that God Almighty and his angels encamp round about them. What do they care for earthly things or earthly power? What do they care for kings, or lords, and Presidents? They fully believe they are heirs of the King of Kings. In the hour of battle they swear to themselves to stand, like the great Hebrew leader, in the cleft of the rock; the glory of the Most High God passes by them, and they catch a gleam of its brightness. If you come in conflict with the purposes of such men they will regard duty as everything, life as nothing. So it appeared in our war of the Revolution.

SOMETHING TO BE INQUIRED INTO.—We find the following paragraph in a letter to the Vicksburg "Citizen, dated Pensacola, April 20:

Lieut. Wardsworth, U. S. A., before being shot, confessed that the object of the sail-boat which landed at Warrington every day under the flag of truce, was not for the purpose of getting the letters for Fort Pickens, but on the contrary, they carried back with them the letters written home for the Mississippi and Alabama volunteers. A nice trick, wasn't it? It will account for the good folks at home receiving no letters from the cadets.

This is the first intimation that has reached us that Lieut. Wardsworth, or any other American officer, had been "shot" by the Southern rebels. When did it happen—and what was the offence?—[N. Y. Times.

ANOTHER OF THE FAMILY.—Almost every day, literally, brings to light some new description of villainy incident of the southern conspiracy—the most infamous, debased and monstrous treason ever hatched out of the corruptions of man since man had a history. It is fairly and literally named "the sum of all villainies." The particular crime of to-day, is the utterly illegal as well as mean and cruel robbery of the children of the State of Missouri, by their governors, to purchase arms for the rebellion with the public school money!

SOMEBODY sends us an anonymous letter from Tennessee threatening to assinate us for what we have said of John Bell. We hope he won't. We want the use of the whole remnant of our three score and ten to repent properly of our vote for Bell last August.—[Louisville Jour.

ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh, at the office of Dr. Heyse, No. 140 Wood st. I was afflicted with Lung disease. One of my lungs and the bronchial tubes were found to be badly diseased. Oftentimes when I coughed I ejaculated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated. Dr. Schenck prescribed for me his "PULMONIC SYRUP," "SEAWEED TONIC" and his "MANDRAKE PILLS," and after taking them one month and a half I was entirely restored to my former health. I have since lived in Columbiana county, Unity township, Ohio, where I am well known. You may publish this if you wish.

Pittsburgh, August 17, 1860. MARTIN KOCH.

N. B. Since the above was written, Mr. Koch has entirely recovered, and continues well, having regained his usual health.

I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe cough and pain in the breast for about eight years. During the whole of this time I have had general debility and depression of spirits. Had frequent chills. I could hear of, but nothing took hold of my disease. I heard of Doctor Schenck's "PULMONIC SYRUP," but had no confidence in it. In April, 1859, I took a severe cold, accompanied with a violent cough, difficulty of breathing, and night sweats, which so prostrated me that I was confined to my room for two months.

Several of my friends who called to see me, spoke in very high terms of it as they knew what it had done. My prostrated condition discouraged me considerably, and I made up my mind to waste no more money for doctors or medicines. When Mrs. Miller had her sickness, five or six, as I had been so long sick that I felt completely discouraged. However, after reading several pamphlets in the "PULMONIC SYRUP," which I purchased from Dr. Schenck's medicine in a fair trial, and I continued to give Dr. Schenck's medicine a fair trial, and now, scarcely two years afterwards, I am free from disease. I have taken no other doctor's or Dr. Schenck's medicine. I unhesitatingly state that it has made a perfect cure of me. I am a well man. I attribute my good health and vigor of constitution entirely to Dr. Schenck's medicine. I enjoy better health to day, Feb. 6th, 1861, than I have done for three years. If persons doubt my word let them come to me and I will satisfy them.

Price of Dr. Schenck's inestimable remedies, they would not hesitate to call on him in his visits to this place. I feel like a brother and friend to all who call on him, as I have the utmost confidence in his medicines. Any person wishing further information, can call on me at my residence, Ann street, Allegheny city.

Dr. Schenck's Medicines are sold by DR. GEORGE H. KEYSER, 140 Wood st. my22

Miscellaneous.

A Card to the Public.

THE amount of bodily and mental misery arising from a neglect of small complaints is incalculable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had; for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been thoroughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the Life Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.

THESE MEDICINES

Have now been before the public for a period of 30 YEARS, and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.

IN MANY THOUSANDS

of certified instances, they have even RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous, to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they, consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and sending them with renewed tone and vigor, that they were indebted for their name.

MOFFAT'S LIFE PILLS!!!

Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable detergent aperient; of a gentle saponific, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder; and of a delightful tonic cardiac, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most delicious feelings of our nature.

THE PHŒNIX BITTERS!!!

So deeply rooted from their astonishing power of creating new life and strength, as it were from the very ashes of the most dilapidated constitutions—are more strongly toxic and more immediately invigorating than the Pills containing the same choice vegetable extracts as the latter, in a different medication. Although really less cathartic than the LIFE PILLS, they nevertheless begin to cleanse the alimentary canal much sooner; generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilerating the Mind, even in less time than this.

MOFFAT'S LIFE PILLS!!!

In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most salutary efficacy.

MOFFAT'S PHŒNIX BITTERS!!!

Have been happily used for the cure of FEVER AND AGUE, WITH INVARIABLE SUCCESS!

BILIOUS COMPLAINTS, AND A MODE OF CURE!!!

A well-regulated but comfortable quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the intestinal canal in healthy motion. When there is a deficiency of bile, the body is constantly costive. On the other hand, an overabundance of bile causes frequent nausea in the stomach, and often produces very severe attacks of sickness, which sometimes end in death.

Dr. Moffat's Life Medicines!!!

Should be taken in the EARLY STAGES of Bilious complaints and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!

PILES! PILES! PILES!

As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve and justly merit the most favorable recommendation. It is well-known to hundreds in this city that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of *thirty-five years*; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at last found the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery, had been pronounced entirely incurable, but absolutely impossible, by any human means.

MOFFAT'S

Life Pills and Phœnix Bitters!!!

CURE DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of bile, healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss of APPETITE, HEARTBURN, HEADACHE, RHEUMATISM, ILL TEMPER, ANXIETY, LASSITUDE and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

THE

LIFE MEDICINES!

For BILIOUS and LIVER COMPLAINTS, with their many well-known accessories, *Bilious and Sick Headache, Pains and Spasms in the Regions of the Kidneys, Diuresis, Heartburn, Loss of Appetite*, are acknowledged to be vastly superior to anything ever before offered to the public.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these medicines a perfect and safe antidote for removing from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

SCROFULA!

The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been preyed upon by insatiable diseases, are proved by undeniable authority of the sufferers themselves, to have been completely cured by these purely Vegetable Medicines, after all others had been found more than useless.

Acute or Inflammatory Rheumatism!

ARTHROSIA CHRONICA, OR CHRONIC RHEUMATISM!!

These diseases, which are among the most painful, and, by ignorant treatment, the most intractable to which suffering humanity is liable, are CERTAIN, speedily and permanently removed, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.

MOFFAT'S PILLS AND BITTERS!!!

But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been found to be of such signal service. Why are they so UNIVERSAL in their happy effects?

Because they PURIFY THE BLOOD, and thus remove all causes of disease in the system.

Because they act powerfully upon the secretions of the body, and remove all impurities at once.

Because they do not reduce the system, but invigorate it—thus requiring no restraint from pleasure or business during their operation.

TRY MY MEDICINES!!!

Try but a Single Dose of the

LIFE PILLS!!

TRY THEM! BE SATISFIED!!

BE CURED!!!

FRUIT, ORNAMENTAL TREES, ROSES, &c.

In returning thanks to the public for their patronage, hitherto so liberally extended, I would call their attention to my very large stock of TREES for the Fall.

Stock of Apple, Pear, (dwarf and standard) Peach and Cherry far exceeds anything I have ever raised. All of the most approved varieties, wrought by persons having a full knowledge of the business, and every care taken to have every kind true to name.

Of Apple Trees alone we have 150,000—50,000 of which are three year olds, from 6 to 8 feet. To such as want EVERGREENS, from 3 to 8 feet, by the 100 or 1000, best of rates would be given. Extra large Maple, for shade, per 100, $25. Extra large American and English Larch, per 100, $25, &c. Tree-Planters, please give us a call. Catalogues sent free on application.

RICHARDSON'S

IRISH LINENS,

DAMASKS, DIAPERS, &C.

CONSUMERS OF RICHARDSON'S LINENS, and those desirous of purchasing the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm,

J. N. RICHARDSON, SONS & OWDEN,

as a guarantee of the soundness and durability of the Goods. This caution is rendered essentially necessary, as large quantities of inferior and defective Linens are constantly offered for sale, and sealed with the name of RICHARDSON, by Irish Houses, who, regardless of the injury thus inflicted alike on the American consumer and the manufacturer, do not hesitate to forge, and vainly endeavor to render a business so profitable, while purchasers can be imposed on with Goods of a worthless character.
