We have seen few poetic squibs equal to this one during the war:

The Southern Volunteer's Farewell to his Wife.

From Dixie's sunlit dipping to his arms she went,
And he, a gold removing from his mouth,
Pressed her to anguish to his manly breast,
And said twice, longingly, toward the South.

"Lor," he said, and hiccupp'd as he spoke,
"Indeed, I feel it most (hic) 'stremely hard
To leave my wife, my niggers and my debts,
And march to glory with the Davis Guard."

But all to arms the South has called her sons,
And while there's something Southern hands can steal,
Your car' (hic) 'spect me to stay at home.
With heartless duns forever at my heel.

To-night a hen coop falls and in a week
We'll take the Yankee capital, I think;
But should it prove (hic) 'spedient not to do't,
Why, then, we'll take—in short, we'll take a drink.

I reckon I may perish in the strife—
Some bullet in the back might lay me low—
And as my business needs attendin' to
I'll give you some directions ere I go.

That cotton gin I HAVN'T paid for yet—
The Yankee is used for it, dear, you know,
And it's a most 'stremely doubtful thing
Whether it's ever used again, or no.

If Yankee's agent calls while I am gone,
It's my 'spress command and wish that you
Denounce him for an Abolition spy,
And have him hung before his note is due.

In case your purse runs low while I'm away,
There's Dinah's children—two (hic) 'spensive whelps;
They won't bring much the way the markets are,
But then, you know how every little helps.

And there's that Yankee schoolmistress, you know,
Who taught our darlings how to read and spell;
Now don't (hic) spend a cent to pay her bill;
Make sis't learned and feathered, she'll do well!

And now, my dear, I go where booky calls,
I leave my whisky, cotton crop, and bloe;
Pray that in battle I may not (hic) 'spire,
And when you lick the niggers think of me.

If on some mournful summer afternoon
You should bring home to your new *arrior dead* (drunk,)
Inter me with a toothpick in my hand,
And write a last (hic) *farewell* on my head."

A Colored Cowhiding Affair.

Quite a sensation was produced on Friday afternoon in front of the post office in Montague street, Brooklyn, by an affray between two colored men; one an elderly man, who was severely chastising a younger man with a cowhide. A police officer stopped the affray and took both parties over to the Police Court in the City Hall, where the affair was at once investigated by Justice Perry. The parties were evidently highly respectable, belonging to the upper tendom of the colored population, and both had barely sufficient colored blood in their veins to distinguish them. The particulars appeared to be that the old man, whose name is Peter Boylston, residing at No. 2 Stanton street, has a daughter, a fair octaroon, who had become the object of the attention of Mr. Thos. Barnswell, the young colored exquisite, who had become the object of parental wrath.

The course of true love, whether white or colored, never does run smooth. Barnswell had asked parental permission to correspond with his dusky dulcinea, while completing his education at a College at Middletown, Ct. Mr. Boylston had refused his consent, on the plea that his daughter was too young. On his return recently to Brooklyn, Barnswell sent an annonymous communication to the young lady to meet him in Montague street. This came to the knowledge of her "stern parent," and he leads her send an answer, which lured the hopeless lover to a castigation from the hands of the old gentleman, who met him as he was coming out of the post office with the letter, and with a cowhide commenced to belabor the youth. Barnswell preferred a complaint against the old man for assault and battery, to which he pleaded guilty, and was fined $10, which he paid.

THE WAR SPIRIT AT THE WEST.—A traveler, who has just returned from the West, relates an incident which illustrates the spirit of patriotism prevailing in that section. Stopping in a little town, of apparently but a few hundred inhabitants, he inquired if any volunteers had gone to the war from that town. "I reckon there has, stranger. We've sent two companies, and have got another mad as hornets because they can't go."

JOHN S. GIVEN, No. 94 Elm Street.
HOUSEKEEPERS—troubled with vermin, need be so no longer. If they use "COSTAR'S" Exterminator.—We have tried it to our satisfaction, and if a box of it cost $5 we would have it. We had tried poisons, but they effected nothing. Have tried Roach Powders, but were the best of Roach, Mice and Rat Killers, at richer than we can write, it. It is in great demand all over the country.—Medina (O.) Gazette.
MORE GRAIN and provisions are destroyed annually in Great Country by vermin, than were put into use of this Rat and Insect Killer.—*Lancaster, (Ohio,) Herald.*
HENRY R. COSTAR.—Your Exterminator is received, tried, and pronounced a decided success. We used a box of it, and the very Rats and Mice burned our premises "raised Hell;" that night was a caution to sleepers. ☞ ANOTHER CURE BY DR. SCHENCK.—I called on Dr. Schenck some time ago in one of his visits to Pittsburgh, at the office of Dr. Keyser, No. 140 Wood st. He was examining patients with lung disease. One of my lungs and the bronchial tubes were found to be badly diseased. Oftentimes when I coughed I expectorated blood and matter in large quantities. I had night sweats and a great cough, and was greatly debilitated. Dr. Schenck prescribed for me his "PULMONIC SYRUP," "SEAWEED TONIC" and "MANDRAKE PILLS," and after taking them one month I have so far recovered that I do not spit any more blood than a healthy person, and the cough has nearly left me. I live in Columbiana county, Unity township, Ohio, where I am well known. You may publish this if you wish.
Pittsburgh, August 27, 1860. MARTIN KOCH.
N. B. Since the above was written, Mr. Koch has entirely recovered, and continues well, having regained his usual health.
☞ I, WILLIAM W. ALEXANDER, residing on Ann street, Allegheny city, do hereby certify that I have been a sufferer from severe pain in the breast and back for about eight years. During the whole of this time I have had general debility and depression of spirits. I tried every nostrum I could hear of, but nothing took hold of my disease. I heard of Dr. Schenck's "PULMONIC SYRUP," but knowing no one personally that it had cured, I had no confidence in it. In April, 1859, I took a severe cold, accompanied with a bloody cough, difficulty of respiration, and night sweats, which so prostrated me that I was confined to my room for two months.
Several of my friends who had used it so me, spoke in very high praise, as they knew what it had done. My prostrated condition discouraged me considerably, and I made up my mind to waste no more money for doctors or medicine, but would take the chances, live or die, as I had been so long sick that I felt completely discouraged. However, after reading several advertisements in the "Pittsburgh Dispatch" I felt induced to give Dr. Schenck's medicine a fair trial, and now, after using two bottles of it, I am in good health, having less than ten dollars' worth of Dr. Schenck's medicine. I cheerfully state that it has made a perfect cure of me, and I will say to all patients my good health and vigor of constitution entirely to Dr. Schenck's medicine. I daily go to work to-day, Feb. 4th, 1861, that I have done for twenty years past. If persons knew the value of Dr. Schenck's inestimable remedies, they would not hesitate to call on him in his visits to this city. I feel the advising every person to call on him, as I have the utmost confidence in his medicines. Any person wishing to see the facts as stated above, can call at my place of business, at Wm. H. Faber's, Machinist, in this city, or at my residence, Ann street, Allegheny city.

A Card to the Public.
THE SUFFERINGS of bodily and mental misery arising from a neglect of small complaints is focalizable, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailments should be had, for diseases of the body invariably affect the mind. DR. MOFFAT'S VEGETABLE LIFE MEDICINES, in every instance where they have been th roughly used, have TRIUMPHED OVER DISEASE in almost all its diversified forms. The salutary effects of the *Life* Medicines have, in fact, been so universally experienced, that they have become fully established as the most easy, safe and perfect mode of treatment ever offered to the public.
THESE MEDICINES
Have now been before the public for a period of 30 YEARS, and during that time have maintained a HIGH CHARACTER in almost EVERY PART OF THE GLOBE for the extraordinary curative properties which they possess.
IN MANY THOUSANDS
of certified instances, they have even RESCUED SUFFERERS from the very VERGE OF AN UNTIMELY GRAVE, after all the deceptive nostrums of the day have invariably FAILED. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their magnificent and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their fame.
MOFFAT'S LIFE PILLS!!!
Are composed of VEGETABLE INGREDIENTS EXCLUSIVELY, as can be ascertained by CHEMICAL TESTS. Their prominent qualities are those of an active and searching, though perfectly mild and agreeable detergent aperient; of a grateful aperient, promoting the insensible perspiration; of a pleasant diuretic, invigorating the kidneys and bladder, and of a delightful tonic cardiac, exciting appetite by the demands of active digestion, and cheering the mind with that grateful sense of renovated health which is one of the most felicitous feelings of our nature.
THE PHŒNIX BITTERS!!!
So demonstrated from their astonishing power of creating new life and strength, as it were from the very ashes of the most dilapidated constitutions—are more strongly tonic and more immediately invigorating than the Pills containing the same choice vegetable extracts as the latter, in different medication. Although really less cathartic than the LIFE PILLS, they nevertheless act to cleanse the alimentary canal much sooner; generally slightly operating within three or four hours, and producing a decided sense of relief to the Head and Stomach, and exhilerating the Mind, even in less time than this.
MOFFAT'S LIFE PILLS!!!
In Affections of the Head, Sick Headache or Nervous Headache, these Pills will be found to possess the most sanitary efficacy.
MOFFAT'S PHŒNIX BITTERS!!!
Have been happily used for the cure of FEVER AND AGUE, with INVARIABLE SUCCESS!
BILIOUS COMPLAINTS, AND A MODE OF CURE!!!
☞ A well-regulated and proportionate quantity of bile upon the stomach is always requisite for the promotion of sound health—it stimulates digestion and keeps the intestinal canal free from all obstructions. When there is a deficiency of bile, the body is constantly costive. On the other hand, an overabundance of bile causes frequent nausea in the stomach, and often promotes very severe attacks of disease, which sometimes end in death.
Dr. Moffat's Life Medicines!!!
Should be taken in the EARLY STAGES of Billious complaints and if persevered in strictly according to directions, will POSITIVELY EFFECT A CURE!
PILES! PILES! PILES!
As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES stand unrivalled. Full and emphatic recommendation. It is well-known to hundreds in this city that the former proprietor of these valuable Medicines was himself a victim of this painful disease for upwards of *thirty-five years*; and that he tried in vain every thing heretofore prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.
MOFFAT'S
Life Pills and Phœnix Bitters!!!
CURE DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile instead of the acids and acrid kind. FLATULENCY, Loss of APPETITE, HEARTBURN, HEADACHES, RESTLESSNESS, ILL TEMPER, ANXIETY, LANGUOR, and DEPRESSION, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.
THE
LIFE MEDICINES!
FOR BILIOUS AND LIVER COMPLAINTS, with their many well-known attendants, *Bilious Fevers, Jaundice, Dizziness, Oppression after Meals, Giddiness, Dizziness, Heartburn, Loss of Appetite*, are a most happy remedy, and is vastly superior to anything ever before offered to the public.
MERCURIAL DISEASES.
Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.
SCROFULA!
The most horrible cases of *Scrofula*, in which the Face, Bones and Limbs of the victim had been preyed upon by the insatiable disease, are proved by undeniable testimony of the sufferers themselves, to have been completely cured by these purely Vegetable Medicines, after all others had been found more than useless.
Acute or Inflammatory Rheumatism!
ANTHROSIA CHRONICA, OR CHRONIC RHEUMATISM!!!
These diseases, which are among the most painful, and, by ignorant treatment, the most inveterate to which suffering humanity is liable, are CURED, speedily and permanently cured, by a proper course of the LIFE PILLS and PHŒNIX BITTERS.
MOFFAT'S PILLS AND BITTERS!!!
But it is unnecessary to enumerate the many cases in which these purely vegetable medicines have been successful; but let us inquire, Why are they so CERTAIN in their happy effects?
Because they PURIFY THE BLOOD, and thus remove all cause of disease in the system.
Because they act powerfully upon the secretions of the body, and renovate all impurities at once.
Because they do not reduce the system, but invigorate it—this requiring no restraint from pleasure or business during their operation.
TRY MY MEDICINES!!!
Try but a Single Dose of the
LIFE PILLS!!

RICHARDSON'S
IRISH LINENS,
DAMASKS, DIAPERS, &C.
CONSUMERS OF RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm,
J. N. RICHARDSON, SONS & OWDEN,
as a guarantee of the soundness and durability of the Goods.
This caution is rendered essentially necessary, as large quantities of inferior and defective Linens are prepared, and sold with a similar fabric and finish to the genuine RICHARDSON, by Irish Houses, who, regardless of the injury done to the inflicted alike on the American consumer and the manufacturers of the genuine Goods, will not readily abandon a business so profitable, while purchasers can be imposed on with Goods of a worthless character.
