Rowley, have the sound the standard of the sound the standard which he is ready to pay over as soon as required. The Additor sploniated in the matter of the soil extension are expected to report at an astry day when the work, it is samedy hoped, will be com-menced and increased in the matter of the soil the fands to those smitted of paying and the best matter of the soil the fands to those smitted of paying and the best matter of the soil the fands to those smitted of paying and the best matter of the soil of the down of the Down and so the Down and the other work is the secure of the completion. At the request of the best matter of the soil of the down of the Down and profession of the down of the Down and profession of the down of the down and the other work is the secure of the profession of the down of the down

present. Boy faror and Kitano.-On Thursday last a boy named Banner, realding in Kuok township, Glarion constry, was scoide-tally shet by his nucle, named Joseph Boiste. It separar that two boys had goes out to shoot a sheep killing dog, and not being abis to accomplish it, dre unels took the gun to hill the animal. The boy who was shot was sitting on the frame, and the other boy gave the gun to Bolter, who in taking it, drew it slong his les, when the trigger angult in his clothes and the weapon ar-ploids, lodging the contents in the breast of Ban-ner, killing him almost instantly.

ber, killing him simost metanuy. Wircoms Haus.-It is understood that the Twillih Regiments of Pennsylvania Volnatieres will retura home to be dishanded on asat Thanday-the term of their engagement having hearty expired. These biver boys have been anginged in his very necessary dangerous and vositions edity; of grant-ling line in some Billimore. They have performed the day like soldiers, and should meet a soldiary welcome kornet. We would engages the proprinty of a grand milling storeption by the Home Geards, of a grand milling storeption by the Home Geards, put the occasion.
