Rother to Constructors. D Greaterd, August 140, 1641. Restand, August 140, 1641. Restand Restan

The firmness displayed by General McChiellar in taking care of the few robellious soldiers who fare causing no little trouble among soveral of the regiments, is worthy of all prains. A post of a light trip of both fraight and more than three months under the terms of the regiments, is worthy of all prains. A post of solid soverary, which goes more than three months under the terms of the regiments of the few robellious soldiers who do daty. As in the case of the first y-ninth, a strong force of infairty was marked to their camp and peace soon followed. Slity-two is the bote disorganizers were streaded to their regiments, to Terings I is and placed are to be sent, together with some of the other regiments, to Terings I is and of the coast of Florids, where they are to serve the balatore of the regime first bary few of the New York Thirteent and Terilith have boom disorganizers, but the of the they few of the New York Thirteent they are of werf finighticant there are needed to the they few of the New York Thirteent and Terilith have boom disorganizers, but the othed disorganizers are needed there are of the serve the balatore of the regime the serve the balatore of the regime the they few of the New York Thirteent they are of werf imignificant there there are needed there are of werf imignificant there are needed there are of werf imignificant there there are needed the were they are to the there the senter of the the they few of the there the senter of the transpired term.
