Mr. Bitwenton submitted the following, as the minority report:

Resolved, That in the nomination and formation of a County "Union Ticket," this Convention omit and leave vacant the following offices, to wit: Two members of Assembly, Treasurer, Commissioner, and Coroner.

A motion was made to lay both the reports on the table, but soon after withdrawn.

The reports were then accepted, and declared open for discussion.

Mr. Porter, of Tarentum, moved that the Convention leave open the nominations for two members of the Assembly, Treasurer, Commissioner, and Coroner. His opinion was that the Democrats should have the privilege of selecting their own candidates for these offices.

Mr. Dravo favored the obligation of party ties, as Republicans and Democrats were now engaged in fighting the country's battles, without respect to party or political creed. (Applaus.)

Mr. trawford favored the nomination of a full ticket.

Mr. Satherland was in favor of a full ticket. If the party leaders were left to fill the offices allotted to the Democrate, the whole object of this Convention would be defeated. Let a complete ticket be given to the public, and party hacks would be effectually checked in their designs. (Applause.)

Mr. Stavenson asked whether the intention was to make a ticket for the Democrats, whether they liked it or not?

Mr. Sutherland replied that the Democratic masses would be thoroughly situsfied with the offices named, and if the party hacks were left to nominate for them, the "Union movement" would be entirely defeated.

Mr. Wright moved to allot the office of Associate Judge to the Democrate, instead of Coroner. Not agreed to.

After some further discussion, the question was called upon the motion to adopt the minority report.
