**Latest from Washington**  
Washington, Sept. 9, 1861.  
The President has today received from General Fremont a report of the success of his operations in Missouri. The report states that the rebel forces in that State are being completely annihilated, and that the Union army is rapidly advancing towards St. Louis. The President is highly pleased with the progress of the war, and expects that the rebellion will be soon suppressed.

**General News**  
The rebel forces in Missouri are being completely annihilated, and the Union army is rapidly advancing towards St. Louis. The President is highly pleased with the progress of the war, and expects that the rebellion will be soon suppressed.
