Under the new law, about thirteen thousand six hundred tax payers have voluntarily paid up within the time specified, and received the up within the time specified, and received his shatsment of fire per cent, which foots up the sang aggregate of \$7,333 45. The late period at which the new law went into effect, and the difficulty of bringing this radical charge to the knowledge of many tar payers, have operated very materially against the new system. Another year will show a decided improvement, and we should not be surprised to see nineteen-twentieths of the entire assessment for 1862 paid in before the close of September, inatead of nineteen-twentieth remaining outstanding, as under the old mode. the knowledge of many tar payers, have operated very materially against the new system.
