AMUSEMENTS. WANTED TO RENT A MILL
PRE-PERTY (eater power preferred,) by a
practical Billier. The heat of rentrence on the given. Dip Goods. DITTSBURGH THEATRE. Atb Adbettisements. The following copy of a letter addressed to the President of the United States by Col. E. F. Beale, present Surveyor-Geu eral of California, no well known in Ponnsylvania and Virginia, will be read with pleasure, alike for its noble spirit and cheering example. In a letter toa personal friend, which came by the same mail, Colonel Beale says "nothing could be more delightful or agreeable to me than the offer a few weary hours, until they survey hours, until they survey hours, until they survey hours, until they thank they could discover the camp survey hours, until they was immediately mustered and took up their line of march, tramping over hill and dale for a few weary hours, until they had be for a few weary hours, until they survey hours before a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they survey hours before than had been reported. A large force was in line of march, tramping over hill and dale for a few weary hours, until they had be for a few weary hours, until they appear to a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had be for a few weary hours, until they had been reported. A large force way was well to a other trusty fellows to investigate. They THARLES GIPNER'S FRIDAY EVENING, COTOBER 1018, BERTFIT OF METY PAIR rectiful Miller. TREADWELL, WHITCOMB & CO. FORMING COMPANIES Soth for the city and sometry trade, which they can sell at very low prices. FOR THE WAR, These are the most desirable goods fo assassiante Col. Knipe and "his son." Col.
Knipe has no knowledge of any such affair,
nor is he better informed in regard to his son,
as he has none here. This noax probably
owas its origin to the following: A supposed
young man, of feminine mauser and appear
ance, belonging to the regiment, was detailed
"as hospital surse, where, having control of the
supplies, he became somewhat addicted to an
indiscriminate use of the wines, and, in an
unguarded moment, divulged the fact that she
was the wite of one of the privates. Finding
her sex discovered, and learning that she was
to be discbarged, she managed to obtain the
countersign, passed the guard and made her
way, still in male attire, to a neighboring farm
house. She had her hand bound up with a
handkerchief, and begged some camphor to
pour on it. She then stated that site was the
son of Col. Kelpe, that he had been assassinated
by a private—a friend of Lanshan—end she
had recrived the wound in attempting to ave the money offered this season, and must be seen to be appreciated. ould do well to call and get their Peaters and Han DO YOUR OWN PRINTING! industry, money must be expended and lost
in experimenting; and when the necessary
experience is gained, some one will succeed
in making cotton growing profitable." HUNT'S NEW STORE, Nos. 97 and 99 Third street, Invite the attention of A Miraculous kscape from Starvation. Masonio Hall, Fifth Street The Memphis Argus gives the following ac-AWD CASH BUYERS count of a miraculous escape from starvation DE. CHARLES H. STOWN, из водзажева of a gentleman residing in Lauderdale county, To their new stock of of a gestileman residing in Lauderdale county,

Tofficesce, near Hale's Point:

"Last week be was out hunting in a large bottom in his neighborhood, and he observed a wild goose fly out of a large oppress atompy which was some twenty leet high. His knowledge of the habit of these gesse led him to barlieve that the goose had a near in the atamp.
On the outside of the stump were a number of vines; which he pulled up to peep in an angle possession of the eggs. After he had succeeded in getting to the top of the stump, be discovered a large number of eggs some surer or eight feet down inside. The neet, he supposed, was on a firm foundation, and he apposed, was on a firm foundation, and he apposed to a cash valuation, would stand about thus:

For 12 months' commutation for clothing at 3\frac{1}{2}.

Total 2 months' commutation for a foundation, and he apposed, was on a firm foundation, and he apposed to a cash valuation, would stand about thus:

For 12 months' commutation for clothing at 3\frac{1}{2}.

Total 2 months' nyaician and Surgeon Office, No. 35 Federal Street, EMBROIDESIES,
EM one year, and that being the end of the war, his account with the Government reduced to a cash valuation, would stand about thus:
