The Battle on the Potomac.

In the midst of the confusion of accounts

aceraing the late battle on the Potomac,

SATURDAY MORNING, OCT. 26, 1861. #S For steamboats leaving this day, see urth page.

Pittsburgh Weekly Gazette.

THE WEEKLY GAZETTE, published this morning, contains full details of affairs in Kentucky, of the progress of events in Missouri, around Washington, the Upper Potomac, The accounts were so confused that double and the latest nows by tolegraph and mail from all important points. nesday, whether our troops had possession

DR. HATES' EXPLORING EXPEDITION -In of the South bank at all. the midst of the exciting scence which now The true account seems to be this: Gen. Surround us, events the most interesting can hardly obtain a moment's hearing, if unconnected with the war. There may be glad to feara-that Dr. Hayes has retorned with the available coherent with a substance of the second of the second of the second discovered drawn while Gan. Banks crossed at Eiwards' Ferry. Gen. Stone's troops were expliced with great loss, and driven back to Harrison's Island, while the Banks effected a laderment with with the exploring schooner United States. and has published an official account of his trip. We can only give a brief synopsis of the voyage. The expedition, composed of one small

vessel, sailed from Boston, July 5, 1861, and and at Edwards' Ferry. from Upernavik on the 16th of the same month. On the 24th, reached Melville Bay, and effected its passage in 55 hours. On the 25th they were brought up with a heavy a passage, so that there was no possibility pack of ice, twenty miles south of Smith's f reinforcing our men in time. It seems Strait. Every effort to find an opening amazing if such an effort was to be made, char through this pack was unavailing, and after that boats were not prepared, or a pontoon contending with heavy gales, and almost continual bad weather for several days, in have passed easily and safely. We hope Iy wounded. which the vessel suffered severely, on Sept. 2d Littleton Island was reached. Examina tions from the highlands of, the island, and with boats, showed that it was hopeless t

attempt any further progress that season. Everything was wintry. It snowed almost ncessantly, the thermometer was 18 degree below freezing, and the vessel was coated specially in officers, while the enemy did with ice. It was concluded to go into winnot suffer much. The following, taken from ter quarters in Hurstein Bay, where the the New York Tribune, is the only intelligivassel was moored near the shore, on Sept. ble account we have seen : Capt. F. G. Young, of New York, aid to Col. Baker, and who was with him when he 9th, and every preparation made for win-

tering. The spot was named Port Foulke, died, gives the following account : and is in lat: 78° 17' 41" N., lon. 70° 80' "Gen. Stone ordered Col. Baker, on Son-57" W. It is twenty miles further south than Dr. Kane's winter quarters, and dis-tant from it by the coast ninety miles. The winter was spent in various surveys and observations; for the promotion of the op-

jects of the expedition. Lieutenant Colonel Wistar, to move immed A melancholy event took place during the winter. Mr. Sonniag, the astronomer of the Excedition, and second in account of selves to Gen. Stone. the Expedition, and second in command; and who was with Dr. Kane, volunteered to Stone to the battalion, to stand fast unt "Orders were then sent from General go on a journey to procure dogs for the ser- they should hear heavy firing in front, and vices of the expedition. He took a sledge then is cross. About an hour afterward, musketry having been heard previously, dead and wounded began to be brought over to where we were. At 10 o'clock the numand nine degs, and an Esquimaux, named Hans. After they were out several days, spending the nights in snow huts, Mr.

Boantag fell through the los where it was thin under the snow. He was immediately extricated by Hans, who started back with bring up his brigade and the Tammany re him to the last station, five miles off, but giment, giment, commanded by Colonel Coggewell, which was in camp about three miles distant, and to cross immediately. before they arrived Mr. Sonntag was insensible from the cold, and died soon after they arrived. Hans rolurned to head quarters, and the body was brought in and

buried. Thus perished this martyr to Daring the winter Dr. Hayes visited

Rensselaer Harbor, Dr. Kane's Winter Quarters. No vestige of the Advance was discovered. She had probably drifted out to sea with the ico. During the trip the thermometer sunk to 68° below zero.

In the spring an expedition was under-

THE LATE VICTORY IN MISSOURL Defeat and Rout of a Secondon Army concerning the tail baille ou the Potomac, it has been difficult to tell the true position of sflairs. It is quite orident that our troops obtained on Tuesday last at Fredericks-MEN WANTED IMMEDIATELYI

of silairs. It is quite ovident that our troops of Stone's division, formanded by Golouel Baker, met with a repulse, and a very evere loes, and that they were driven back across the river, or rather to Harrison's Island, in the middle of the river. At the same time it was stated that Gen. Banks had effected a lodgment in Virginia, and that he now manual states and that the very form silot Knob at nine o'cleck in the morning. and at one P. M. he was joined den McClellan had visited the troops on the Virginia eide, and that everything was secure. The accounts wars bicarfand that det duty and four hundred cavalry of Col. Plummer.

The combined forces then advanced in Advancement open to all.

nesday, whether our troots had nossession use for six thousand men, in command of Jeff. Thompson and Col. Lowe, who had left Frederickstown twenty-four hours be-For further particulars apply at the Relighting Ere, NaThiNAt HOTEL, Witters rest, near Smith-eld, Pittaburgh, Pa fore, and were expected to be rapidly re-\* bientf To the Young Men ordered to recruit the Third Battalion of the Bat Regiment U. > Rebel Murders. It is stated by the St. Louis Democrat that since the rebellion broke out in Missouri, over three kundred loyalists have been hung or shot, in other words, murdered in cold blood, in

in other words, mutdate been dug or shit, in other words, mutdate of the old blood, in Missouri, for no other offense than their fide-ity to the government! These are the mis-creants Gen.'Fremont had to deal with. The whole scension crew of Missouri are murder-ers and thisves, who fear neither God norman, and who could only be stayed in their career of slaughter and robbery by the fear of just such pusishment as Gen. Fremont threatened to visit opon them in bis preclamation. The

D preparation we have all the restorative properties of the root combined and concentrated in all their attempts and efficacy; accordingly we find it resorted to in cases of acrofila, liter complaint, sait theory dyspoysia and general divility, with unprecodented rescens, as it specificly purples the blood, restores to the stomach its-lone, and imbure with hesithful im-pless the entire organisation. Propared and solid by a. S. & ILBANDS, Druggista, Bold also by it. A. FAHNESDOOK & CO., Pitts Durgh, Pa. uce publishment as Gen. Frement threatened to visit topom them in his proclamation. The certainty of death and the loss of their slaves had a terror for the cowardly and mercenary ruffians that nothing else could inspire. Since the fear of that retribution has been removed, they have pillaged and mardered without re-straint.

JAMES A. MCMASTERS, late editor of th Freeman's Journal, was on Wednesday c charged from Fort Lafayette. He declip at first to take the oath of allegiance, finally conserved. ber of killed and wounded brought in was increased. General Sione ordered Colonel Baker to take command of the forces on both sides of the river at that place; and to nally consented. Autorsy Dickars; the intely deceased Cierk of the United States Senate, who had held that position for therty years, was the son of one of the pioneer clergymen in the Mitho-dist Church, John Dickens, the intimate friend of the venerable Bishop Asbury, after whom he was named.

"Captain Young carried the orders to the "Captain Young carried the orders to the Tammany Regiment, and the whole force proceeded about a mile down the river, ready to creas. We found two scows, each of which could carry from forty to filly men, and managed to get from the canal a dug-out, which would take sixty or seventy more, "Six companies of the first battalion of the California Regiment, three pieces of artii-lory, with men and horses belonging to the GENERAL LEE is reported to have been se o Tenneissee, to supersede Zollicoffer in the command of the rebel army in that State.
