"all wet; heard some of them talking German, and heard Dr. Karbatt's name montioned; I advised heard Dr. Rarbatt's name montioned; I advised them to call the doctor, and told them they had better take her to a tavers; they left soul after, taking hur towards Main street. Jacob Heckendorn testified to having found the woman lying dead in the stone yard. Her limbs were exposed and he covered her. Dr. Beiter testified that he had examined the body, and was fully satisfied that no winter whatever had been done to her person. He was positive on this point. There were no external marks discovered, and his opinion was (from plined, and every effort is now being made to
