TILK, A., 1 an enabled to offer at lowest proces, ensons matter ; new advertisements, sto. consciousness that our men were entrapped, conserved in status: man ture, and helplokaly slaughtered at Ball's Bluff, quence been strenged forever! I is methodic to soon to ultar a daniated has died in the cause of burnahly. Crossing the Potomac, ATMON JOINSTON, Drags at. It is probably too soon to utter a decided That those who have the control of our "Whether on the scall of high, Or to the arms's van, The fittest place for non to die is, where he dies for man." opinion as to where the blame lice, but it is Oorner Smithfield Said Fourth Streets. vari army on the Potomac should attempt no longer to be concealed that a terrible to throw the right wing across that river in blunder has been committed by somebody; 40: loreign birth, be laid down his life for the laud of his adoption. Let native burg traitors contemplate the picture with what composure they can." two old scows and a canal boat, is: a thing and the country will not be satisfied withso utterly farcical and ridiculous, that, es divers ragiosi and ridenicus, that, out a therough ventilation, let the blame excite derision and shouts of tareher. It fail where it may.

excite derision and shouts of laughter. It We content ourselves, for the present, b would have been ridiculous had there been no enemy in the neighborhood; but as their some ot the incidents of the press, and tor was a strong, orafly, and well managed hos-mit and the incidents of the horrible scone. The North American, in an editorial, says: tild force, ready to resist and crush in de-"Gradually the melancholy truth respect-ing the disaster at Bail's Biuf is drawing make the passage in that way, it was crimi-nal to the last degree. With thousands of all that our worst forebodings had looked mail to the last degree. With thousands of a li that our worst forebodings had looked expert axemen in the ranks, and any for. A calamity so appalling might well be concaled by the government, but to Phila-river, what prevented the erection of a slughtered helplessly, there must be an ac-bridge over which men, horses and artillery control to be slughtered helplessly, there must be an ac-count rendered by someholdy. Nobody double that the men all acted courageously, and were nerved with faarless bravery and through a street? Or, if a bridge was too have build an adequate number of forry. basis 7 This wretched buyering has not boats? This wretched bungling has cost "Alas ! the explanation is easily gathered

boast f This wretchen bunging has cost the nation the life of the gallaut Baker, sad as unknown number of humbler but equally precious lives; it has cast a damped to but upon the spirits of the army, and is calcu-lated to exuse both army and people to dis-trust the capacity of the men who have been chesen to lead our forces in this strange and fearful struggle. Gen. McClellan disclaims, through his friends, the responsibility of this lamentable cannot inagine. Mod, and with the river at their beck and no means of retreat. By what terrible er-ror of judgment such a field was chosen for battle by a force which had penetrated to within a short distance of Leseburg, we

friends, the responsibility of this ismentable cannot imagine." blunder; but the question remains unan- The New York Herald, commenting on

swered, by whose anthority was it done? the disaster, editorially, says: To cross over was right; for it was certain in motion; but through whose neglect was it that no preparation had been made for erossing 1. Had there been a bridge, or even a score of good forry boats, there would have been no fight neisr that place; and this day Banks would have been press-in subority that if they will not fights enemy back towards Manasas just a stattas he chose to go. We tell those in authority that if they will not fight the enemy they shall not murder our men; and they may rely upon it, that if they will not fight the enemy they shall not murder our men; and they have no power to prevent animad-verions upon what they have dong or ne-glected to do. The humblest among us have glected to do. The humblest among To cross over was right; for it was certain. "Worse than a crime--s blunder. The glected to do. The humblest among us have A correspondent of the New York Times, just as much interest in the salvation of the who was an eye-witness of the whole fight, NATHVILLE .- The United States gunboat Concountry as they have, perhaps more; for writes as follows of the closing scene : many of us have sons and brothers and

The completion of the Pacific Telegraph. That lais great enterprise has been carried through, without interruption, and now pro-claims itself an accomplished fact, in the midst of circumstance. many of us have sons and brothers and husbands in the ranks, and it is horrible to think that they are in the hands of a set of "Incompetent blunderers, or, possibly, what is worse, a set of men whorse petity personal impersonale the ball sup pattern, with slight

through, without interruption, and now pro-claims itself an accomplished fact, in the midst of circumstances accomplished fact, in the -diams itself an accompliabed fact, in the midst of aircumstances apparently so unto-ward as a great war involves, (and that not a mere foreign war with a foreign enemy, but a war at home, on our own soil, msking the contest ten fold more terrible than any merely foreign war can be)--that such an enterprise, which orght to have marked an era of peace, as it marks the triumphant progress of science, and civilization, and the resources of humanity, about farmenity, in to the in hands. The fasture foreign is an accompliabed fact, in the midst of airconstances apparently so unto-with enem rushing fino it in too great mary triad to swim the river, and sank from exhaustion. The fasture foreign war can be)--that such an era of peace, as it marks the triumphant progress of science, and civilization, and ber far greater, in proportion to the number.

0023

He concludes his remarks as follows -"This Usion movement is not a movement individual man-it is for mankind. It the first real struggle between equality and privilege which the new world has ever seen By direction of County Commissioners. oc28.3id HENRY LAMBERT, Controller. It is an effort on the part of individuals in the revolting States to trample under fout the Cou stitution of our Fathers, and raise up a sem nobility, based upon involuntary servitud upheld by despo ic military power, and eleva upheld, by despote multary power, and elevat-ing and perpetuating the rule and reign and cousequence of families. It will be blasted and overthrown finally, and then it will be subject of universal wooder how so bold and wicked an impositure should even have beer conceived or attempted! Above all, how i

wicked an imposture should even have been conceived or attempted ! Above all, how it should aven have found advocates or apologists this eide of Bediam, or Newgate, or perdition. It will fide away suddenly, but not like the "baseless fabric of a vision," for it will "leave a wreck behind?---a wreck of every crime which ever disgraced humanity---a wreck of, every " woe unnumbered." which the human heart has ever experienced----a wreck of burial fields unvalled, of vacant firesides, of desolate hearthitones, of sight, and learn, and lamentations, of widows and of orphane, of maimed sarvivore; and a wreck of folied treachery and blistered traitors, who will evade the society of men, and shun the light; lest Score shall point her "alow unmos" and darky whisper, "Treitor !" But rising above this ruin, emerging from the cloud, jresh and beautiful as flawers which apring up on the departure of Winter's desolation, will be our institutions of equality, refined and pu-nified in the lurance of adversity and affliction, strengthened and invigorated by trial, shining Bofore the world with renewed lustre, and giv-ing light and hope and joy and promise to all God's children. I see what lies behind ! It is coming--it is coming !. "Danna ye hear it --dinna we hear it." Then, agan, in our glorious Union shall we

necticut, which left New York on the 17th

was made that the eastern division, as far Another eye-witness, who writes to the as Salt Lake City, had been completed-it New York World, gives the following that snother triumphant bour would soon the fail of Baker :"

bear of candles, cotton, starch, scap, oil, becon, refined sugars, sait, iron, shoes, clothing, and other necessary supplies. The demand for bacon-an article of prime ne-cossity—is largely in excess of the supply, with exceedingly small stocks in the hands of dealers? This is enough of these horrors. We give them because we think the public ought always to know the truth. If we meet with a disaster, let us acknowledge it, and while of dealers."

we condemn the guilty parties, let us with There is one article, the want of which renewed zeal and an unfinching resolve, rei creates great suffering in the South, and that turn to the combat. We may expect disasis coal. It is surmised that the Nashville ter in a great war such as this, so hastily did not leave Charleston for want of coal sprung upon the country, where almost everything is to be learned. Our men are for want of coal to make gas. Winter is brave even to the extent of rashness, and coming, and great suffering will result for our officers have given undoubted evidence the loss of the accustomed supply among that they possess at least one soldierly qualthese who have hitherto depended upon this ity, that of courage. There is a lack of pru-

dence, a lack of military knowledge, a lack of provision for suy and every conlingen-Invalous Against MoCLELLAN .--- A despatch cies, which we hope time and experience from Washington says that those who are sup posed to be engaged in embarrassing and trying Will correct. While we mourn over this late disaster, we should by no means be disto displace our young and vigorous General have already taken alarm at the lond and in- heartened, or lose faith in the Government, dignant protest, which has been raised by the but inspired by the greatness of the conflict, loyal press in all quarters. The response of and the immense stake we have waged upon Heneral McOfellan to his assailants is his in-its issue, we should size superior to every sealing, untiring, and herealean energy and rigilance in all parts of his great military dis-titiot. Pity some of these intriguents against disaster. Important from Cuba. Nrw Yozk, October 24.—A letter from Key West, dated the 20th, reports the arrival at Cardenas, on the 16th, of the rabel ateamer.
