Seccession is again rearing its accumulation of Peace Naryland, and under the banner of Peace for the approaching election. Let the result be as

The most contemptible class now! community, are the so-called peace z the loyal Ptates. They lose no opporof covertly attacking the government, fend himself, especially when he is chasing though they are too cowardly ope avow it. Such hypeerisy is contem We may respect an open, avowed rebe

One of the first measures which should engage the attention of Congress, is this question of conficeation. The Government should be placed in a position to retailint upon the rebels the policy they pursue with regard to the property of all Union men. It is just also that rebellion should be punished by the close of property. There has been too much forbearance displayed. It been too much forbearance displayed. Government which can punish as well as protect, and that the first duty is just as obligatory as the latter.

Therewith.

Ther

Cincinnati Commercial, thus speaks of the country in the neighborhood of Ossanla.

We have prejudices—and they are growing. We detect traiters and complicating
against the Union; but we detect even more
those less housest and more cowardly
wetches who thus proclaim as a virtus
their indifference to their country's peril.

N.Y. Fost.

Such persons are all traiters at heart.

Change of the persons are all traiters at heart.

Change of the persons are all traiters at heart.
