self disable trade with the rebel States, each prepara-his days long be spared to enjoy the coveted thous for running the blockade of the rebel believe Unele Sam had fellen into a most people. No stain attaches to his fame. Even deplorable unpopularity, and the Stars and the calumnies engendered by positical heat, dence unmistakable, that though there many of the Presidents who were his cotempo may be some shipowners in Halifax wno parles. While some will be forgotten, and

wink at their proceedings, -yet in Halifax too there are honester and better people, of whom we heard nothing till now.

to notice that the rabel sympathizers and semi piratical shipswaers can be at once Claims of Slavery. thrust asile and kept out of view, when done to the memory of American explorers, and to the chivalrous conduct of America in responding so readily to the appeal of Ledy Franklin. The name of Henry Grinnell was mentioned with the highest respect, and his enlightened liberality was carnestly applauded. The occasion was altogether pleasant and agreeable, and was, as the Colonel observed, "one of the most interesting festivities ever held in Halifax," and Halifax for their generous courtesy."

good people represent the popular feeling lows by the New York Tribuns of Nova Scotia and the other Provinces,

and that when his constituents elected him to Congress by 10,000 majority, it was with the recognition of his known sentiments being in pation as a means of saving its own life.

CANADA CONTRACTOR OF THE PARTY

\*\*\*

of the Presbyterian Board, writes that in a recent conversation with Mr. Harris, the. United States Commissioner, that gentleman foreign trade and intercourse. The Rev. formed Churon, in a recent letter, says :

Legation: and was there last month. Dors sign, or hear a word, from any one of the | Gazette:

Retirement of Gen. Scott. He has served his country long and well, and Publication Office, Fifth street, near Smithfield. and when all the blandishments of its traitor ous fashionable circles, and the life-long

friendships of officers high in renk, who have MONDAY MORNING, NOV. 4, 1861.

since gone to the rebels, were unable to move

donor four the rebels, were unable to move
the district for publication is a point on which we,
at least, do not choose to offer an opinion I
country and his Government. To his prudent
teresting residing. this day, together with miscellaneous adverand firm messages, ned the freat influence arslammants. ercired by his position and fame, we owe the existy of Washington—and now, finding himseaports, &c., &c., that we were ready to in the admiration and love of the American Johnson's island, near Sandusky, says: Stripes were no longer to be honored among in a Presidential contest, left no tarnish upon that people. The cordial welcome which Dr. his character. Although defeated for Presi-Hayes has received, however, gives us evi- dent, yet his place in history will evertop

ment from public life. The Government did iteelf as much honor as it did Gen. Feorr. in thus officially parting with so honored a pub For the credit of the place, we are glad lie servant.

Half hearted papers, and those of the konorable company is to be entertained by Peace Mon stripe, or of secession prodite the good Haligoniane. We read that upon litles, are continually talking of the right of the errival of the United States at Halifax, slavery, and denouncing all who propose to Dr. Hayes was called upon by Prince Alfred consider the propriety of estimating the and Captain Egorton, B. N., by Earl Mul- power of slavery in this contest, and of congrave, the Licutenant Covernor, by the sidering what use can be made of the pre-Lord Bishop, and by the Boman Catholic dicament in which insurgents have placed Archbishop. The Mayor tendered him the it, to crush this atrocious rebellion. These hospitalities of the city. The Admiral of men seem to consider that property in the fleet offered him, free of charge, all the slaves is too sacred to be touched. All other mayal facilities of the port, for repairs, &c., property, it is admitted. can be properly and the Medical Society of Nova Scotia gave confiscated, and that confiscation may be him a public dinner. "At this dinner, justifiable both as a means of apparent and the least one of the Eark will be hid as the Render specifies were made by representatives of the Society, and of the army and navy, by

the Society, and of the army and navy, by

members of Parliament, by the president of because the rebels themselves are configuration. members of Parliament, by the president of because the rebels themselves are confiscatthe Halifax Literary and Scientific Society, ing every thing they can lay their hands on, which can be traced to Northern connectally.

Halifax In these speeches fall justice was done to the memory of American explorers. done to the memory of American explorers, sion, although they know that no punish-

we are sure we but express the feelings of the many thing else to prolong the war, was considered in its true aspect by the people. It only needs to be examined to meet with of this Bank, to serve \$5.00 of this Bank, to tion, of Dr. Hayes himself, and of the public a stern condemnation. The sentiments of will be field at the flanking House, on Morary, Moranda, at large, in thanking the good people of the many who hold that a National decree and Society R. ... Islifax for their generous courtesp."

of emancipation for the slaves of persistent on TUESDAY, Nov. 5th, at 10 o'clock A. M on TUESDAY, Nov. 5th, at 10 o'clock

them.

Free Speech in Haryland.

The venerable Ex-Governor Frank Thomas, in a patriotic speech in Baltimore, last week, alliaded to a fact of no slight importance in the present condition of our country. Gov.

Thomas remarked that he had similar views in regard to the cateston of slavery to those held by Washington, Madison, Marshall, Morroe and Heavy Clay—that he bad on all saitable occasions not hesitated to avow them, and that when his constituents elected him to ind submit to the laws and authority

recognition of his known sentiments being in unison with those of the distinguished statesmen tamed. Gov. Thomas quoted the romarks made by Mr. Clay on this subject in Congress, viz:—"So help me God I will never wote for the introduction of slavery in territory tokers it dues not exist."

"I stand now," added Governor Thomas, "where Mr. Clay then stood, and I will ever stand so long as I have power to give utter.

"So the property of the transport of the transport of the transport of the United Mr. Clay then stood, and I will ever stand so long as I have power to give utter.

"So the property of the United Mr. Clay then stood, and I will ever stand so long as I have power to give utter.

"So the property of the United Mr. Clay then stood, and I will ever stand so long as I have power to give utter.

"So the property of the United Mr. Clay then stood, and I will ever stand so long as I have power to give utter.

"So the property of the Live and do as they see fit star (say) the lat of January next. And such property of the Live and do as they see fit star (say) the lat of January next. And such property of the Live and do as they see fit star (say) the lat of January next. And such property of the Live and the property of the Live and the property of the Live and the property of the later of the property where if does not exist."

"I stand now," added Governor Thomas,
"where Mr. Clay then stood, and I will ever
stand so long as I have power to give utterance to my sentiments. I may be called
Black Republican, an Abolitionist, but I care
not. When I was charged in Western Marynot. When I was charged in Mostern Marynot. The man and the standard of the four millions of slaves from the scale of
the relession into that of the Union may extend,
after (say) the latter enamed to the standard proclamation, we believe, would shift the weight
of the four millions of slaves from the scale of
the relession into that of the Union may extend,
after (say) the latter enamed to the standard of the four millions of slaves from the scale of
the relession into that of the Union may extend,
after (say) the latter enamed to the standard of the four millions of slaves from the scale of
the relession into that of the Union may extend,
after (say) the latter enamed to the standard of the proclamation, we believe, would shift the weight
of the four millions of slaves from the scale of
the relession into that of the Union may extend,
after (say) the latter enamed the standard of the four millions of slaves from the scale of
the relession into the union of stand so long as I have power to give utiveance to my sentiments. I may be called a
Black Republican, an Abolitonist, but I care
act. When I was charged in Western Maryland as being an stoin gan Abolitionist,
I was the owner of sixteen slaves. Why, sir,
the peny, fellows who thus assailed me if
blacked would not have sold for se med as
some of my dittle black boys. [Cheers and
laughter]

"There are doubliess some in Baltimore who
could be valued at the same price. [Laughtar.] You may stand in swe of them, but I
do not. I never shall stand in swe of any
best my Misker."

JAPAN.—Late intelligence from Japan
give promise that a change for the better
has taken place. The Rev. Dr. Hepburn,
has taken place. The Rev. Dr. Hepburn,
folds of the Stars and Stripes."

. BRIDGING RIVERS FOR ARRIVE .- The late unfortunate affair on the Potomac has atsaid a gradual change is going on among tracted a great deal of attention to the nethe Distinction favor of foreigners, and that construction desired of transportation more than one-half of them ary in favor of across rivers; another blunder of that description will not be endured patiently by Mr. Brown, a Missionary of the Dutch Re- the people. Gen. Fremont managed better on the Osage. We were told that he would "I see a great change here for the better.
Sidee November; 1859, I have been at Yeddo
three times, spending a week or ten days at
a time with Mr. Harris, at the United States

wangurd some miles beyond. Before he reached the Osage he was told it was imposing a week's stay I rode not less than a suble to pass his army. How he bridged around the city. But I did not see a look, or the river, is told in a letter to the Cincinnati

sycond the city. But I did not see a lock, or sigo, or hear a word, from any one of the shousands whom we met on our excursions, indicating ill will or dislike of our presence. Even the common appellation Tojin (Ohinese) by which fereigners are generally designated, was ravely heard."

FADERAL AND REBLE LOSERS.—The New York Commercial publishes a table of the Osege not only feasible, but extremely easy of escomplishment. He could not see, he said, after a reconclusance of five minutes, which the loses of each party.

The aggregate loss on each aids, as summed up from the accompanying table, is self-confident from the accompanyin

Gan. THOMAS' REPORT -A great deal of Fall of bosors and days, the noble old hero disserisfaction having been expressed at the of Lundy's Line his retired from active duty. untimely, and we think altogether improper, publication of the report of General never better than during the last ten months, THOMAS, at this time, the New York Tribune, when accession has been rife in Washington, in which it first appeared, has felt it necesgary to account for its agency to the main ter, which it does as follows:

THE Cleveland Herald, commenting on the plan to erect a prison for rebels on "How are they to be transported to the \$25,000 depot after the close of navigation, often before December 10th, and how kept there when an ice bridge is formed from island to island across to the Queso's domin-tone? Who are to guard and feed a thous-and secesbers in the midst of an ice field for nearly half the year?"

would prefer the "profits of trade"—even other and better consideration, as there have always been men of a similar stamp in New York and Boston Resil, who had no objections to the profits even of the elave-trade, and cared nothing for the infamy and inhumanisty of so profitable a species of trade, as long as a friendly U. S. Marshal and a sympathetic executive in the back-ground, would will be insuring the transaction, attending the retirement of the old veteran, is exceedingly impressive, where before, probaily, was such a some with spot so profitable a species of trade, as long as a friendly U. S. Marshal and a sympathetic executive in the back-ground, would wink at their proceedings,—vat in Halifax.

Testimony of Teachers, the man to
whom all of us look to redvice and instruction.

JOHN J. WOLGOTT.

I concur mest heartily with the above.

LEUNARD H. SATON. I cheerfully concur in the opinion expressed above.

W. B. FERW.

I take pleasure in giving it as my opinion that the bregoing recommendation is fully merited.

A. BURTT. A. BURTT.

I know of no one who deserves higher restingoy his favor.

R. N. AVSEY.

I fully concur in the above recommendation. He can prepare pupils for the High School quicken han any other teacher in the city. than any other leacher in the city.
