There will be three tentilators, one in mid-channel and the short a mile from either shore, the central ventilator being erected in twenty-eight fathoms of water, and weighing over 1000 tons. Mr. Chalmers gives a very claborate estimate of the probable cost of the twork, the grand total being £12,-1000 over. He also anticipates that the an-R. FRENCH, PROPRIETOR. no28:dlyx that when you have one it will last brover, and it any housekeeper breaks one by the heat of the lamp, let her call at the manufactory and we will replace her cracked chimney by a dozen whole ones. This proffer does not include accidents or those cases of breakage where the chimney has, through inexperience, been acrewed so closely to the lamp as to prevent its expansion when heated.

Manufacturers and consumers of Carbon Oil, who have set the magnitude of the obstacle, which has existed in the great expanse of chimneys, in the way of the universal use of the oil, have found a remedy in the Oval XX Flint Glass Chimneys, which has materially lessened the cost of Carbon Oil light to those who use them, and increased the consumption of oil consequent upon the lessened expense for chimneys. For sale by J. C. Kirkpatrick, L. Thuma & Co., Rogers & Nesbit, P. Hayden, Lucesco Oil Co., Wellon & Helneke, W. Ugion & Co., W. P. Wooldridge, W. M. Murray, or at the Manufactory, Washington st., near Fennsylvania avenue.

East Liberty. BAILY, FARRELL & CO., CURES GUARANTEED! GRAIN FAN AND SEPARATOR, R. L. ALLEN, AGENT, And whatever has seemed likely to administer ADVICE GRATIS! No. 120 FOURTH STREET. Patented January 10, 1860. the comfort of its guests they have endeavored, with out regard to cost, to provide, and to combine all the T cheerfully concur in the opinion expressed above. W. B. FREW. Patesited January 10, 1869.

The superiority of this FAN over all others in use consists in its chespness, simplicity and durability. Second, in cleaning Grain faster, better and more thoroughly, with less labor, than any other mill.

The patentee of the above Fan har been long engaged in manufacturing and selling Agricultural Implements, and convinced of the great want of a good San for cleaning the different kinds of Grain and Secols, presents this to the public, with full confidence that it, will meet their wants.

The undersigned, having purchased the sole right to manufacture and still the above Grain Fan and Separator in Western Fennsylvanis, wetern Virginia, and all. Onlo, and the right to sell in Indiana and Illinois, is now prepared to all all orders, wholesale or retail, at 379 Liberty street, Pittsburgh, Faschmantif TO THE PUBLIC, especially the ignorant and Falsely Modest Physicians, of all denominations, treat Secret and Delicate Disorders, Self-Abuse, Diseases or Situatious common and Incident to Youtho fo both sexes, and adults, single and married. Because Dr. BRANSTRUP publishes the fact of his doing so, the ignorant and falsely modest are dreadfully shocked, and think it a great modest are dreadfully shocked, and think it a great sin, very immoral, and fear contamination and corrustion among their wives, promising some and AFFIDAVIT. PRODUCE AND COMMISSION I take pleasure in giving it as my opinion that the foregoing recommendation is fully merited.
