THE LOCOMOTIVE EXPLOSION AT WRIGHTSwill. The explosion of a locomotive at Wrightsville, Pa., on Thursday last, by which the engineer and fireman were killed, was the result of an insane experiment. From information received it now appears that the locomotive was the contractive of the contracti mation received it now appears that the decimative had been but recently thoroughly repaired, but from some defect the schedule time could not be made with it, and an effort was made to get on a greater head of steam by reducing the quantity of water in the boiler. The water was reduced entirely too low, and the cold water coming into contact with the

Discussed.—Mayor-Wilson has discharged Burns, the supposed murders from Vincennes, Ind., a close examination showing that he did not correspond to the picture and description so closely as was at first supposed, and that he lacked some of the prominent marks 6mith was known to have. Added to this he seemed to be an inofensive man, and his bearing was in all respects that of an innocent one. He was accordingly discharged and the Vincennes authorities notified of the fact.

ARRIVAL OF DR. BODENHAMER .- This emi-ARRIVAL OF DR. BODENHAMER.—This eminant physician, whom we introduced to the notice of our readers a week or two since, has arrived in this city, and taken rooms at the Monongshela House, where he is prepared to Jreat all those diseases set forth in his card else where. We wish to repeat here—that Dr. Boden amer is highly recommended by a number of our most prominent and intelligent elitiens, whose names can be seen by calling at this office. pointment we noticed yesterday. The Post says:

The office of Superintendent of the Western Division, just made vacant by the resignation of Mr. J. N. Du Barry, who goes upon the Nerthern Central Road, of this State, as General Superintendent, has been tendered to H. A. Gardner, Esq., now the engineer of the Hudson River Road, and rocently Vice President of the Chicago, Alton and St. Louis Road. Mr. G. brings with him much experience in his profession and a good name.

The office of General Manager (which assimilates to the office of President) has been created, and is filled by Mr. Cass, who is still the President of the old corporation, and will,
