A few days after his arrival Gen. PHELPS objects of the armaments gathering at Ship same journal, tells of some doings of the issued the following important proclamation Island. PROCLAMATION OF BRIG.-GEN. PHELPS TO THE REOFLE OF THE SOUTHWEST. The Feeling in Washington.

The prevailing sentiment in Washington HEADQUARTERS MIDDLESEX BRIGADE, Ship Island, Miss., Dec. 4, 1881. To the Loyal Citizens of the Southwest , that war will not grow out of the Trent fair. We copy special dispatches to the

war is inevitable if our Government sustains it Capt. Wilkis. They say that there are more of grieveness than one; that Great Britain has output of the there is an one of the there is a from any other Pewer and that not to take high grounds on this last (frameation would it be to degrade herself in the estimation of Eu-ropean Powers. They add that there is ad-it ditional cause for offense in some of the caller it ditional cause for offense in some of the caller if are not included in the recently printed volume. At is our convision that monopolies are as destructive as competition is conservative joint the principles and vitalities of republican gov-ernment; that slave labor is a menopoly which excludes free labor and competition; that slaves are kept in comparative idleness, and ease in a fortile half of our, arabie sational tarritory, while free white laborers, constantiy sugmenting in number from Europe, are con-

sugmenting in numbers from Europe, are co fined to the other half, and are often distres

are not included in the recently printed volume. It is known that the Diplomatic Body re-gards the offsis as a grave one, and hoks upon war with. England as imminent, believing that John Bull will demand the return of Ma-son and Sildall in tarms so percuptory as 'to preclude negotiation and prevent our Gov-ernment from. Offsetting the treatment of the Nashville against: that of the Trant. How-far 'self-interest will go to back mational mide mas to the Will ined to the other half, and are often distrejs-ed by want; that the froc labor of the North has more need of expansion into the Sorthern States, from which it is virtually excluded, than Slavery had into Texns in 1846; that free labor is essential to free institutions; that these institutions are intairally better adapted and-more congonial to the Anglo-Sagon race than are the despotic tendencies Slavery; and, finally, that the dominant politi-cal principle of this North American Continent, to long as the Caucesian race continent to flow Associate against: that of the Trant. How-far solf-interest, will go at back national pride may be judged from the fact, stated by Englishmen recently arrived here, that Bouthern emissaries abread-have made "the most layish, promises," to: European Powers.

so long as the Caucasian race continues to flow in upon us from Europe, must needs be that of free institutions and free government. Any in upon us from Europe, must needs be thow of government in the United States must insvi-tably be steaded with discord and war. Slavery, from the condition of a universally recognized social and moral evil, may here spins to be everywhere by the steaded with discord and war. Slavery, from the condition of a universally recognized social and moral evil, has become at length a political, institution, demanding political recognition. If demands rights to the scalation of the condition of a universally recognized social and moral evil, has become at length a political, institution, demanding political recognition. If demands rights to which are instired to us by the Constitution, they are boly, and so the scalation of the scalatio The Herald's dispatch is as follows :

deal of excitement here. Hardly snything else was talked abset on 'Change. A more vigorous tobe in favor of using negroes to put down the Southern rebellion is noticed among Union men. The feeling is generally in favor of asstaning our Government if it refuses to surrender Mason and Slidell. The second are in high else.
