drive outs and swatt events.

It by writers in the journals which have come under our observation. This is matter of congratulation, and all the more so, that, in the present case, we exclusively, have the right to make this boast:—a more have the right to make this boast:—a more legitimate and manlier kind of boasting. By the way, than that of the bully, whose eccasion and sole reason for "carnal gloryling," (as a certain Quaker once expressed it.), "is in the consciousness, or presumption, of mere brute force." Exclusively, we say, for no reader of the late arrivals of English news, can have failed to notice the contrast presented by the British journals,—which have, almost without exception, been performing the part of the lion most admirably, at least so far as the roar-ling the first have been and services as volunteers for the supplied of the sons of the potential to the proper of the service. Maj. Arny thinks much parts of each tribe were about to enter the rebel service. Maj. Arny thinks much parts of each tribe were about to enter the rebel service. Maj. Arny thinks much parts of each tribe were about to enter the rebel service. Maj. Arny thinks much parts of each tribe were about to the Southern Commissions who have been among them, and parts of each tribe were about to enter the rebel service. Maj. Arny thinks much parts of each tribe were about to enter the rebel service. Maj. Arny thinks much parts of each tribe were about to enter the rebel service. Maj. Arny thinks much parts of each tribe were about to enter the rebel service. Maj. Arny thinks much parts of each tribe were about to enter the rebel service of all the lies and intrigues of the secessionists, the people of New Mexico, have settled down the lies and intrigues of the secessionists, the people of New Mexico have settled down the services as volunteers for the product of the sons of Freedom?

We are glad to say that in spite of all the lies and in their say on questions like this)-indulged

17:1 the strong family likeness which shows popular feeling would be excited thereby England, would be only a counterpart of what would exhibit itself on our side, if an English war-steamer had, in a sim

detaile.

tall the state of the state of

Certainly, if the "Confederates" were but "Madam," said the General, with eternrebels," in the view of England, Mason nois, "you surprise me. What better source could you wish. The rebels are gentlemen, and are to be believed and relied upon. I wish you to know that many of them are my interaction. But England did not choose protection. But England did not choose this view as her's at first—and why should respecting them. General. If they are what this view as her's at first and why should the, after acting on another, claim to act you represent pos this one also?

From New Mexico. The Chicago Tribuns, through Major W. R. M. Aray, Indian Agent in New Mexico, his some recent intelligence of the condition of affairs in that distant quarter. Major Arny reached Chicago on Tuesday morning on his way to Washington, a bearer of stakes from Governor Connelly and Cal Canby, commander of the Department. Major Arny left Santa Fe on the 1st of Dojourney over the Plains, avoiding the hosspoke to him of the Ball's Bluff affair, as it would be well if those in power had clotile Indians, and reached Lawrence. Kantile Indians, and reached Lawrence. Kantile is about two weeks affair his setting
out, having suffered but little from the in
the state of the weather.

Major Arny brings important news from

spoke to him of the Ball's Bluff affair, as it
would be well if those in power had cloquence and heart to speak.

Just before leaving she said, "Had my
instant died upon the field of battle, and
in so doing had he benefited by powrity; I,
could be resigned, but he was not led to
buttle but to slaughter."

The Indians of New Mexico, except the

nass, which have save, almost without exception, been performing the part of the lion most sadmirably, at least so far as the roaring goes. Let us now endeavor to keep the advantage with which we have begun.

If never before, in the present instance of the coccasioned by the unfaithfulness of the lost of the strong family likeness; which shows the strong family likeness; which shows the strong family likeness which shows the word, that John Bull and Brother Johnthan are as like as they are nearly related. We have never doubted for a moment, from the first intelligence of the search of the Trent and the seizure of the robel emissaries, that, whetever storm of popular feeling would be excited thereby

A Brave Kentucky Senator. Hon. GARRETT DAVIS, the new United States

ilar manner, everhauled an American pas- ate, to confiscate the property of all descrip-The platforms of John Bull's first emotions of receiving the news,—the chullient indignation which sospontaneously rose, and so irrepressibly sought to vent itself. But this is all too violent to last very long;—a resentance must soon set in, even by natural a good omen; and we hope his brilliant example of the Kentucky Senator as a good omen; and we hope his brilliant example of the Kentucky Senator as the service of the Kentucky Senator as the service of the Kentucky Senator as the service of the Kentucky Senator as a good omen; and we hope his brilliant example of the Kentucky Senator as the service of the serv a good omen; and we hope his brilliant ex-ample will stiffen the backs of some Northern members, who made fair professions before their election, but who now, under the seductive wiles of the slave power which is still so potent in Washington, prate about conservatism, constitution, etc., all of which means that they do not wish to hurt slavery while putting down the rebellion. We warn such members that they will not only blast all their further political aspirations—that is a small matter-but they will meet the scorn and do

testation of those who confided in them only to be betrayed. A Woman's Story. Sin: Having seen by the papers that an

leve in the possibility of any ministry, however ill-dispesed towards this country, its government and institutions, being suffered to plunge England into the well-fearful event filled us with indignation. known dangers of such a war as that with Angerica must inevitably become. In take ing this view, we admit all the hostility of the willed and missing reached the relatives of those who participated in the engagement. Mrs. — wife of Capt. — WOTICE. The Republicans of the Garren high-toned, and respected officer whole items. THIS (Saturday) Eversing, between ting that it washis painful duty to inform her that her husband had fallen at Ball's their name and history are identified. But Bluff. For a time nothing could console quiry, and there seemed reason to believe that he was only wounded, and a prisoner. She immediately sent a friend to Pooles-

THE PEOPLE, not merely a class, would have agony of suspense. He came, but brought so be burdened with taxes for years to come.
On second thought, Mr. John Bull will be far less warlike in his inclinations, than his seemed to be when he first thought of charity to relieve the heart of a disconsolate wife. Providing herself with influential letters, Mrs. — proceeded to Washington and from thence to Poolesville. Siopping with a private family, she naturally made the remaindance of the remaind granted one the wine of a neter officer to ge to New York and remain three weeks—only a few days ago she had raturned home again through Cen. Stone's kindness.

Sanguine of success, and hopefully trusting that her husband still lived, Mrs.

Secreted by letter of introduction to Gen.

"Buried by the rebels?" she answered; "how can that be? When Capt. Vaugher

"now can that be?" "was ear Capt. Vangaan"
was sent to bury our dead, why should the
rebels bury him?"
"The account they give," said he, "is,
that Capt. Vaughen left him on the field,
and they buried him. He was lying about
two yards from Capt. Alden."
"It is strange they should so soon bury
him." They did it for my sake," said the Gen-

where all the inconveniences of both views.

If England has well considered her position in regard to the "Confederates," let per abide by it. With her they are "belliggrents"—and therefore, in dealing with her we claim the right of meeting her on her own assumption, and searching her ships for "contraband of war."

Contraband of war."

"They did it for my sake, said the General," said the under the under the one officer and leave another unburied within two yards of him. This is not to be believed. If the rebel is the only source from which you have gained the account of the period of the confederates," were but the period of the confederates, and her captured by the captured by the confederates, and her captured by the captured by

respecting them, General. If they are what you represent them to be, there was no occasion to go to war with them. I do not believe my husband is dead, and if he is, you will not refuse me a flag of truce to see the spot where he is buried, and to obtain "I cannot grant it, Madam."

"Cannot grant it, Madam."
"Cannot grant it, General?"
"No, Madam, it cannot be done."
"Am I not entitled to the favor as well as Mrs. Col.— the wife of a rebel officer, to whem you granted a flag of truce to go and come on a less important errand?"
Ges. Stone turned pale, and changed his stern manner, but persisted in his retusal.
Mrs.——became much excited, and Mrs. — became much excited, and spoke to him of the Ball's Bluff affair, as it

lied upon I'

How many more such intimate friends have the Rebels on the line of the Potomac?

Our fleet went forth with flying colors and a "God speed" from anxious hearts, but,

I hope the facts related above will only be to come the wildest expressions, in the capacity. This is right as far as it goes, and the wildest expressions, in the columns of newspapers, and in speeches we hope Mr. Davis will consent to include all the capacity. The capacity. The capacity we hope Mr. Davis will consent to include all the capacity we have not subdued the enemy.

> An Embargo upon Ship Timber.
>
> The promptness of Great Britain in forbidding, upon the first alarm of war, the exportation of arms and the constituents of ganpowder, presents an example which it is advisable to imitate in this country. We are informed that the purchases of ship timber in the United States for the British Admiralty have been so heavy as to nearly clear the market, and vast quantities are actually stored, awaiting transportation. Owing to the war, the supplies of live oak timber, which came from the South, have been cut off. The Virginia sources have also been practically closed, and at this moment, when Congress is about to urga 500 pounds fresh Holl But. 500 pounds fresh Holl But. An Embargo upon Ship Timber. also been practically, elosed, and at this moment, when Congress is about to urgathe most energetic measures for doubling the navy it is almost impossible for the American shipbuilder to find material for single vessel. To stop this exhaustion of strength for the benefit of a foreign, and possibly a hostile power, it will not be the dictate of a retaliatory policy, but of a foreign which looks to the safety of our own

dictate of a retaliatory policy, but of a policy which looks to the safety of our own people before that of the stranger. The Government cannot act in the matter too

for Councils and Ward Officers. de28

GEO. H. KEYSER, 140 Wood street. Blood Food.—Attention is callthe most remarkable and scientific preparation, rilsed in another column. It is an entirely new liscovery, and must not be confounded with any of the numerous patent implicities of the day. It is a certain remedy for all the diseases specified, and es-pecially those of a chronic nature—of leng standing of weeks, months and years. Sufferers, try it. of weeks, months and years. Sufferers, trylt.

MESSES: CHUNCH & DUTONT; of New York, are the sole agents for it, and also proprietors of the world-runowned Dz. Exroy's invasuring Combiat, an article which switzy Mother though have in her medicine closes in case of meet; and containing, as it does, no parequois or opiate of any kind, it came a shade and with the utmost confidence, and with the utmost confidence, and with the predict in all confidences.

"Only State Journal, Colonides.

Tor sale by GEORGE H. KEYSER, Agent, No. 140 Wood street, Pittsburgh, Pa. dell'idise T.

DR SWEET'S INPALLIBLE LINIMENT & prepared from the recipe of Dr. Stremms Swarr, of Con-necticut, the great Bone Setter, and has been used in his practice for the last twenty years with the most stonishing success. As an external remedy it is without a rival, and will alloviste pain more speedily without a rival, and will alteriate pain more speciary than any other preparation. For all Elbergistate and Norvous Disorders if it rivly indulible, and he a curative for Score, Wounds, Sprains, Braises, &c., its moothing, bealing and powerful arreightening properties excite the first wonder and, astonishment of all who have ever given it? a trial. Over four hundred certificates of remarkable curve performed by it with nertificates of remarkable curve person with the last two years, attest this fact.
