Pittsburgh Guzette.

WEDNESDAY MORNING, FEB. 19, 1862.

The Rebellion Tottering. them to their own resources, which is in tillery, fifteen hundred horses and mules, effect to shandon the project of secession as the entire camp equipage of Zollicoffer's

Government then be? think we have exaggerated our power, or the probabilities of success. The great danger we have to apprehend, is the diseases incident to the hot weather: now approaching. The rebels may trust to the heat and diseases of the climate to carry Gap affair opens the Baltimore and Ohio road, them through another summer, trusting to never to be interrupted again by the rebel foreign succor to come to their salvation before another winter campaign. This shows the great importance of vigor during the spring months. The rebellion should be effectually crushed by the first of June, so that our armies may be relieved from an

hullets of the secessionists. Altogether the prospect is of the most cheering character. It now looks as if all the predictions of our enemies in Europe were to be completely falsified. They have taken it for granted, with most wonderful gusto, that the Union was permanently divided: What will they say if before midsummer the rebellion is completely crushed.

44The Southern Bid." in a long and able article, discusses the offer said to be made to France and England for recognition, to wit: "Free trade in its broadest same for fifty years, the born after the signature of the treaty." In citizens, and we therefore translate from ondly, such an investigation into the facts of de Monteil: of the blockade as must, in their judgment,

lead to its disavowal. The offer of free trade, the Spectator The offer of free trade, the Spectator scouts as a bribe, to which no honorable nation could listen. The second offer of suppression of import of alaves is denounced as worthless, as the import will be suppressed whether they will or no.

The offer of emancipation is worthly of more consideration, but the Spectator wants

more consideration, but the Speciator wants some guaranty that, men who profess to be fighting for alevery, will consent to relinquish the whole object of the content. "The site guaranty," says the Spectator, that the treaty made to-day will not be torn that the treaty made to-day will not be torn the state of the South free to act. Its Bagland to administer the South. The the new Confederacy?"

None of these plans will do, and the Spectator then proceeds to tell the South how they can be recognized, as follows:

There is indeed, one mode in which the Spectator then proceeds to tell the South how they can be recognized, as follows:

There is indeed, one mode in which the South may, if it pleases, secure recognized as the state and political right. Let the men of the South which dealars that their honor is dearer to them that their wants, who affirm the sharping in the two theight of their magnitude reduced "within .lmits less threat their want has been the subgrain for themselves, in any mode they please, so that the soil be irreversible, and comments. If they will all periah sooner than rejoin New England, rise to the height of their magnitude reduced "within .lmits less thereated to report the will be recognized in a speciator, they will be recognized in a speciator which his devery and democracy have together engeneration of the Uniton as a continued, which is always; and of the Involved the section of section, and who dare reconstruction of section of the Uniton of the section of the Uniton of the section of the Uniton of the section of the working which would at once place the Confederacy in a position, as regards Europe, higher than the United States have ever higher than the United States have ever attained. The governing class of a great state of the great speedily wealthy state, mistress of the Gift, and recognized as the first and most that is position in which enfranchement, that is cral Lander is obliged to resign his present of the position in which enfranchement, the position in which enfranchement, the position in which enfranchement, and unstained without a hargain, and unstained without a hargain and unstained with a work and active and acti the position in which enfranchisement, affected without a bargain, and unstained without as wretched bribe, would leave the planting aristocracy of the South.

The Battle of Mill Spring General Thomas has published his official port of the battle of Mill Spring. It does

not differ in its details of the contest from the reports already published. It appears

mortar flotilla and gunboats of the Missis- ception, perhaps, of Price's erratic raids in sippl. An army can be transported down Missouri, neither side has shown much activity the Mississippi by water, in ten days, of movement; but this march of forty-three which it would be folly for New Orleans to miles in one day, and a victory at the close, attempt to resist. Where will JEFF. DAVIS's would have done credit to Garibaldi. In personal magnetism, daring and impetuous ac-Sovernment then be?

Such seems to be a reasonable view of the state of the contest at this time. We do not hink we have exaggerated our power, or the probabilities of success. The great His personal difference with Gen. McCicillan His personal difference with Gen. McCicillan and the probabilities of success. The great His personal difference with Gen. McCicillan and the total defeat of the latter, with a loss of 1,700 killed and wounded. should be settled at once, and he be given some command where his rare military qualities can be brought into play. This Blooming

ASSIGNED TO STONE'S DIVISION.-Brig. Gen. Sepowick, of Gen. HEINTZELMAN'S Division, has been assigned to the command of Gen. Stone's Division, and will enter upon his duties immediately. Gen. SEDGWICK's so that our armies may be relieved from an position in the regular army was that of Major of the Fourth United States Cavalry. It is understood that Gen. DAVISON will have command of Gen. Supprice's Brigade. of which Col. J. H. HOBART WARD is in tem-porary command. WARD was formerly Quar-termaster-General of the State of New York.

porary command. Ward was formerly Quarter by this Liniment, and its natural application will always remove the immeast and enable the horse to traval with comparative case.

Another Victory—Price Captured. Every howe owner should have the remedy at hand, for its almaly must the first appearance of lamances will effectually prevent these formidable discusses mentioning that captured the control of the control Another Victory -- Price Captured. telegraphic dispatch from Chicago passed and our nation comes out of the conflict one Store had captured Parce's whole army. This loss.

of the strongest military powers on earth? Is quite probable, as at last accounts General E A SELLERS & CO., Agents, corner of Wood Stort, had captured PRICE's whole army. This

complete suppression of the import of the battle of Rosnoke, was, perhaps, better elayes, and the emancipation of every negro known to our French than to our native

tham to their own resources, which is in affect to abandon the project essession as far as they are concerned.

Our highly disciplined and victorious troops, well provided, finshed with success, powerful in numbers, will soon on the Nashville. Columbus and Memphis will the battle of Mill Spring, and by this name of this famous battle is at last settled; Gen. Thomas, in his official report, calls it be attle of Mill Spring, and by this name of which sentiment of East and Middle Tennesses will soize the reins of government. Gov. Harring and the leading robels, will be compelled to fine. They will not men, when the lattle of Mill Spring have details of the western sperted Union men, when the lattle of Mill Spring have details of the western sperted Union men, when the lattle of Mill Spring have details of the Westler obtain power.

Neabville in our hands, and Burnside at the blody contest has seldom, if ever, Neabville in our hands, and Burnside at most fearful to contemplate. But life was from shattered bones and lacers and with it they must abandon Virginia and North Carolins. As soon as the Manasses army begins to move, the mighty army of the Sols of its foot in the Old Dominion, that was but miserable, poverty-stricken, weak, but miserable, poverty-stricken, weak, but miserable, poverty-stricken, weak, but miserable, poverty-stricken, weak was but miserable, poverty-stricken, weak but miserable, poverty-stricken, weak was but miserab

the sols of its foot in the Old Dominion, that was, but miserable, poverty-stricken, weak, divided Virginia now.

Charleston and Savannah are probably both in our hands by this time; if not they seen will be. New Orleans and Mobile will not long stand the shock of the mortar agent and gunbosts of the Atlantic, and the shock of the mortar agent and gunbosts of the Atlantic, and the shock of the mortar agent and gunbosts of the Atlantic, and the shock of the mortar agent and gunbosts of the Atlantic, and the shock of the mortar agent ag

Confederate Lies. The London papers of the 29th of January published the following monster hoax under the head "Rumored Confederate Victory at Port Royal":

"The Asia has brought intelligence from

loss of 1,700 killed and wounded.

"The Washington government, we are informed, had taken steps to suppress the news of this reverse, which, nevertheless, has reached a highly respectable party in Liverpool, through a private channel."

SPECIAL NOTICES. To Horse Owners.—Dr. Sweet's INFALIBLE LINIMENT FOR HORSES is intrivalled by any; in all cases of Lameness, arising from Sprains, Bruises, or Wrenching, its effect is magical and certain. Harness or Baddle Galls, Scratches, Mange, &c., it will also cure speedily. Sparin and Ringbons may be easily prevented and curred in their inciplent stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is no desperator to hopeless but it may be alhowever, is so desperate or hopeless but it may be all leviated by this Liniment, and its faithful applica
