## Pittsburnh Gazette.

WEDNESDAY MORNING, MARCH 5they have been treated by men wearing the mourney was a mative of Salem, Mass, and belonged a family eminent for gfains and enterprise. He was not's graduate of any dilitary scalemy, but was engaged in alvil life up to the time of the breaking out of the present war. In 1859 and 1860 he was the Superintendent of the Overland Warmon Radtin Guidentian and the test state of whom, we are hap y tosay, did not meet with the astounding of the present war. In 1905 and Art is the icaeral cause, one of whom, we are not posed of those assurances by maying that the posed of those assurances by maying that the **APEW ADVERTISENENTS**. Wagon Road to California, and carried on treachery so many have experienced. The monarchy will be established by the free **ATAIVE** INK. Wagon Road to California, and carried on his operations on the great plains with extraordinary energy, and skill. On the breaking out of the rebellion he was assign-dt to a position under Gon. McClellan, in Westorn Virginia, and in the rarious dash-ing engagements there he was personally daring to a degree that could not be su-passed. At the baitle of Rich Mountain, he rode fifteen foet shead of his men; and though, as soon as the energy discovered him, a shower of bullets were poured at him, it made no impression whatever on the coolness of the daring soldier. At the gallant affair isst Fall, at Edwards' Ferry, at which he was commander, he was wound-ed by a bullet in the leg, and the wound was of so severe a nature that it laid him up for some time, and finally has brought him to henorably. Lnown in dramatio circles as the sonally and his threst to immediately, move unconditional surrender, form at sono the grave. is operations on the great plains with first case is as follows :

Gen: lander s widow was formerly and honorably known in dramatic circles as Miss Davenport; and the celebrated sculp-their works if the demand did not meet tor, Miss Louisa Lander, is his sister. He was about 40 years of age at the time of his decease; and up to the time of his wound, said stores fell into our hands, and the Stars and the Stars and the stores fell into our hands, and the Stars and the Stars and the stores fell into our hands, and the Stars and the Stars and the stores fell into our hands, and the Stars and the Stars and the stores fell into our hands, and the Stars and the Stars and the stores fell into our hands, and the Stars and the stores fell into our hands, and the Stars and the stores fell into our hands, and the Stars and the stores fell into our hands, and the Stars and the stores fell into our hands, and the stores deal over the shattered walls of the officer who imparted to us the information. On his way down the river to Cairo, the boat struck at a landing to proteous of up. Several Tennesseeans were at the landing, who recognized the negro, or pretended to do so, and claimed him as the officer at once assumed the basis that poerty of a Oulers and the tears of his command and the boat was for giving him up, but the officer at once assumed the basis that poerts of a following description by the reliable Washington correspondent of the New York tor, Miss Louisa Lander, is his sister. He with compliance. The demand was ack-

Publication of version of the Press. The following description by the reliable Washington correspondent of the New York Reening Post, shows the almost utter im-possibility of keeping up the consorship of the press without the greatest injustice. A the press without the greatest injus perer, or yesteruny morning, contained a fortuitous circumstances success depends, solumn of intelligence clearly within the and defines in this case pretty clearly the limits of the prohibition. If no punish. point where the flood in the tide of men's der so many otherwise valuable horses nearly worl timits of the prohibition. If no punish-point where the flood in the tide of men affairs was taken and led on to fortune. the compelled to break through the rules, in Here we see that GRANT'S brilliant suc- R. E. SELLERS & CO., Agents, corner of Wood cess depended wholly upon the information below, is a half disloyal sheet, of the Breck- brought by this poor chattel, and that he inridge stripe, whose daily avocation is to was not punished for it, by sending him

back to his master, was owing to the manly laud rebellion : WASHINGTON, March 2 .- The War Do- stand of the officer whose servant he was; partment seems as yet to have adopted no system whatever in reference to the sup-ply.or publication of news for the journals. No one yet knows when or how to send news away from here. Yesterday the news may man mark the sup-ful prejudices of pro-slavery officers, who A newsnaper man were thrown into commo- will not employ the mest natural and retion by a telegraphic dispatch stating that the *Heroid* had published all the fasts re-specting the movement of Banks' division across the Polomac. All news of that kind

We come now to the next case. We here had been suppressed here, though that kind had been suppressed here, though the facts were very generally known. It was stated that General Banks had authorized the publication of the news in the Herald, but Bestern was publication of the news in the Herald, but Bestern was publication was publication was publicated and the conse-tion of the news in the Herald but Bestern was publicated and the constant of the second that contend the second seco quences of their conduct. A letter from General Hookze's division, dated January 10th, says: PARK, M'CURDY & CO.,

publication of the news in the Herata, out Mr. Stanton was not satisfied with this ex-infjanstion. He said that as Gen. McClellar was at Harper's Ferry superintending the morement of troops, no one but the Com-imanding General could authorize the trans-below Port Tobacco, who is said to be and the satisfied with the satisfied with the com-imanding General could authorize the trans-below Port Tobacco, who is said to be and the satisfied with the satisfied with the satisfied with the satisfied the barbarous slave-master was perpe-trated by one Samuel Cox, living five miles about course and sales in METALS, TN PLATE, SHEET IRON, WIRE, &c. Constantly on hand, at point. In-ex-State Representative, a returned rebel, a was out in the captain of a cavalry company organized med to be the for the robel army, but disbanded by the pority at the robel troops, and a contraband trader, le fact of the When Colonel Dwight, of the Excelsion asmuch, however, as the news was out in Asmuch, nowspaper, it seemed to be the oblighted any spaper, it seemed to be the oblighted all persons in authority at the the Heraid newspaper, is obtained in the simple fact of the stated by the other newspaper. But who should decide the matter? Who is about factor is the stated is the wire? Tour correspondent took is should say what might or might not pass over the wire? Your correspondent took is simple despatch to Mr. Sandford, the government consor, asking his permission to telegraph it to the Leming Post for publication of a might to the legraph it to the Leming Post for publication of a might to the take to take the responsibility; so he took it to one of the Assistant Secretaries. He was refer the one of the Assistant Secretaries in the sing Post to take the second the mass refer to the mass refer t Lox dared to lay claim to his shave; and under the promise that he would not harm the shave he was: surrendered up to him; but not without difficulty, for the men pro-tested and forcibly rescued him, when an officer node up and deslared he would aboot lished. Some other reporter succeeded in obtaining the sanction of the General to obtaining the sanction of the General to a much more minute statement. All was in confusion, and the ability to get news off issemed to depend on one's relations with the Commanding General. The Evening Star was permitted to publish a long state-mant of the Tillitary stimulae are statethe first man that again interfered with the master, and thus was this man return-ed to bondage by an officer of the United States army. Such was the reward of dis-Jobling does at intraction: also Jobling does at intraction: also Jobling does at intraction: also the first man that again interfered with ment of the military situation, praises of General McClellan being plentifully in-temperaed with other matter. Your cortersperaed with other matter. Tour cor-respondent, learning that the Size had been authorized to state that General MoClellan, who had been absent at Harper's Ferry-since Wedneday, had returned to this burg, offered a despatch to the assistant censor, who telegraphed to the assistant for authorized to reward it. The authority for authorized to forward it. The authority make he reached his master's house, his M shoes were gone, and his bleeding feet were found te be durusting open from coming in show were gone, and his bleeding feet were found the be durusting open from coming in the work of the facts is made not to complain of the censorship, but simply to show that there is no system adopted by the War Department by which all journats are served alike, but everything is left at "for a the guestion was saked yea-terday at the War Department: "Why do "yon not furniah the correspondents with an official builletin of the news which you willing that the newspapers should pub-lish?" "We have no time for that," was the reply. It would seem to be fair, when the government steps in to put a censorship upon the preas, that it should take a little pains to furnish the army news which it is willing to have known. "Mr. Sandford, the ponsibility of passing despatches resport-ing any of the movements of the stray wur-Cor fied the man to his horse and rode espandent, learning that the Star had been uthorized to state that General McClellan,
