The Destruction of the Nashville. This famous vessel met with an inglorious fate after all. After all the excitement

she oreated in British waters, and the immense expense she put the Confederate
Government to, to be caught in a trap at

in the colors of this one—white and black mense expense she put the Confederate Government to, to be caught in a trap at Government to, to be caught in a trap at Beaufort; and to be burnt by those, who seised and fitted her out, is certainly rather mortifying. All the attempts of the South to extemporize a navy have been failures. Her gunboat fleets have been destroyed, and her batteries have been abortions, with the exception of the Merrimac, which she found ready to her hands. She is now shut up in Norfolk by the little Monitor, while the Sumter is lying at Gibralter, too poor to buy coals to take her to see. What a plitful cally, will not be without significance in the time in the colors of that imagine that aflag should be symbolical, will find in the colors of this incument to, to be caught in a trap at the at a flag should be symbolical, will find in the colors of this one—white and black — an obvious significance. Such a standard would typify our faith in the "peculiar in command, fought the ship most officer in command, fought the ship mos the Sunter is lying at Gibralter, too poor to buy coals to take her to sea. What a pltiful cally, will not be without significance in coolly put the sponges in the racks, just as they coals to take her to sea. What a pltiful cally, will not be without significance in they do after drill, and left the ship only Maury, and Lynch, and other sea-going however brief the term the fates may allot traitors, must feel, after deserting that glorious flag which is honored in every sea, and has for nearly a century been hailed by adopted. Dura this control of the moment when she was settling under them. The same men, fifteen minutes after they got on shore, were in the water, with trifies, helping to drive the rebel gunboat ting that we hope the Mercury's idea will and has for nearly a century been hailed

The latest arrivals from the South bring abundant evidences of the desperate straits to which the leaders of the atrocious rebel lion, once so proud and exultant over tem-

A Richmond correspondent of the Charlesarms, and paved the way to the campaign of invasion in the Mississippi valley. Mr. Davis remains as cold as ice."

A Chattanooga letter to the Mercury, giving details of the taking of Nashville,

"It is estimated that about five thousa left the city, but I am sorry to say that a large submission sentiment was developed.

"As Johnston's army passed through Nashville, the men were indignant at leaving without a fight, and there must have been at least three thousand of them that turned of on other roads homeward, many declaring that they would rejoin the army whenever there was a prospect of battle."

But more significant still, than newspaper articles or correspondence, are the proclamations of the Governors of South Carolina, Mississippi, Louisiana, etc., in which the agonies of the wounded monster, car

. Total ship to be be to the

no longer be concealed. Governor Pickens, of South Carolina, informs his leiges that the Confederate States have called for five more regiments from Bouth Carolina to serve during the war. He therefore summons the volunteers, and conscription will be resorted to. His procla-

port itself.
Gevernor Pettus, of Mississippl, appeals for ten thousand volunteers to serve for two years. He observes that the power to draft has been conferred upon him by the Lagislature, and adds that after "the liberal contribution Mississippl has furnished in men and money for the prosecution of the war, the act authorising this call would never have been passed if the necessity had not been most urgent."

Governor says:

This is not the hour for vain regrets or despondency. No, not even for hesitation. An insolent and powerful foe is already at the castle gate—the current of the mighty river speaks to us of his fleet advancing for our destruction, and the telegraph wires tremble with the news of his advancing

Surgeon-General Choppin, of Beauregard's Staff, who has been sent to gather in recruits in New Orleans; thus attempts to fire up the chivalry of that city:

aware of the disasters which have befallen ou arms in the West. Greater disasters still are of our country—ends me among you to summon you to and cast steel. This city can supply any and country and of priceless liberty, he has taken the deathless resolution de les

The Atlanta Confederacy, whose editor is well known as a sort of black mail advertising agent, has the following anent the

Trumbull confiscation bill: "Arouse, ye men of the South! Rush to Desth!". Far Detter would have to rise appand aweep us and all we have into the Pacific, than for the informal hell-hounds, the have have the rise and the rise are the rise and the rise are the rise a who wage this wicked war on us, to tri-numph. Let any cruelties, any torments, say death that earth can indict, come upon us in preference to the triumph of the Yan-Kees!

The Atlanta editor is a practical-minded man, and looks a real and near-approachsuch an outburst of becoming resentment s black mail advertising agent" on a conthe New York Herald would probably write, answer to which is not yet. if in similar disagreeable circumstance with his humble follower of the Atlanta

Confederacy. But after so much high-buskined tragedy, we must conclude our quotations from the Southern newspapers with a little bit of a late article in the Charleston Morcury. is without a parallel. malism, is not going to despair of the forimass of the Confederacy; it refuses to entertain great gricfs, but will give way to
