ætte.

this purpose they have assembled an army commanding three corps d'armee of the splendid army of the Potomes. Yorktown is the same, or nearly so, as in the days of the feel what a vast difference in the circumstaness. Then the loyalists were hemmed in by the rebels under WASH-its command in the sheare sheared by the is command in the sheare sheared by the rebels were hemmed in by the rebels under WASH-its command in the sheare sheared by the is command in the sheare sheared by the rebels are basisged by the is command in the sheare sheared by the rebels were hemmed in by the rebels were h INGTON-now the rebels are besieged by the It is certain that the North regard the deloyal army under McCLELLAN. Then the monstration against Richmond as the grand right and the success was with the rebels, coup of the war, and we need not

now the right is with the loyalists, and and formidable. the success will be with them too. It is believed that, while heavy bodies of We do not think MAGRUPER can hold out from sithoush it is said he has thirty thoush men, and will probably make a desperate resistance. But McCLELLAN'S army is so large, so well appointed, and 'so sager, that nothing can stand before it. If our eastern peninsulas. No doubt remains that we are approaching momentous and decisive events, and that some of the most important battles that will have a place in history are soon to be joined.
 the nemy is not able to compete with our troops in the open field. They have neither the nements of our own provents of the newy is not able to compete with our the nements of our own provents of the new provide the new provide

the numbers nor the preparations that wo have, and our troops are superior in morale that on and physical strength and endurance. for the conflict. Great events may now be daily looked for, both in the East and the West, and in the regions farther South. The days of Richmond, writes as follows : JEFF. DAVIS'S kingdom are nearly num Our chief article of commerce bered.

bered.
Burrender of Island No. 10.
This rebel stronghold has fallen at last.
As soon as Gen. Porr obtained a foot-hold ion the island and the main land became unismable, as he could take them in the fank and rear, and cut off their supplies.
The loss is disastrous to the enemy, as it is highly probable that a considerable mount.
of ordnance and stores have fallen into our hands.
The result of the loss of No. 10, will most probably be the immediate fall of the start that Beauregard had fallen back from Corinth, and that all Tennessee was aban- denoted a foot with the start that Beauregard had fallen back from Corinth, and that all Tennessee was aban-

Corinfh, and that all Tennessee was aban-Corinfh, and that all Tennessee was aban-doned. Beauregard cannot meet in the open field the splendid army under GRANT and BUELL, and which HALLECK will soon Command in present and which HALLECK will soon command in person, and he cannot venture by wait at Corinth to be outfanked and surrounded, now that Island No. 10 is abominable all around. The men who come command in person, and he cannot vonture here from the country to buy them are run mail until they get them—they are abso-lutely crazy with fear lest they should fail to obtain them—and seem willing to spend their last dollar in the effort. On the other We think it doubtful whether the rebels

will make another stand on the river. Their strongholds, Columbus and Island No. 10, having fallen, they must see the futility of resisting us on the river. It is probable our river fleet will have an unebstructed passage to New Orleans.

anti-slavery men very fast, and fewer apolo-gists for the miscalled constitutional claims astonishing success. As an external remedy it without a rival, and will alleviate pain more speedil of the rebels, or it will unmake the govern-zent; for if the party in pewer is overthrowr on that question, the succeeding party will han any other preparation. For all Rheumatic as ferrous Disorders it is truly infailible, and as a car tive for Sores, Wounds, Sprains, Bruises, &c., its soothing, bealing and powerful strengthening proper-ties Tricite the just wonder and astouishment of all who have ever given it a trial. Over four hundry certificates of remarkable curves performed by it with-in the last two years, attest this fact. B. E. SHILLERS & CO., Agents, corner of Wood

AGENTS,
