Of course the Confederate conspirator has only to fit the white paper sent him to the key in his possession to read with facility what his friends in Dixie would have him know and do.

We may add, that the message above printed was found under circumstances which verify it as authentic and geauing. It is in the shade of a gentleman of this city and is highly prized as an important link in the chain of evidence which will go to condemn the great treason when History shall make up the account.—N.
