JEBS TAKE NOTICE. By virtue of a recet t of Assembly, all Crude or Mcfined Oils, mant cured, sold or offreed for sale outside of the city itteburgh, and within the limits of the county

face, both at home and abroad, they will probably conclude that the presence and power of the Yankee, all over this broad inevitable, whether, as of old, showing his excellence in the arts of peace, or, as now, achieving equally distinguished excellence in the art of war-all former pretensions of the slave-holding chivalry to the contrary notwithstanding.

The Battle at Pittsburgh Landing. The details of this battle, by an eye-witness, which we give to-day, show the tor-ness, which we give to-day, show the tor-rible severity of the contest, and if we may credit the account of the Cincinnati Ga-sictory gained, as an enemy reputed. The -our men fell back, and lost their camps in some haste, but apparently in pretty in some haste, but apparently in pretty good order. It does not appear, from last account of nimmel, and obe relieved of a rast amount of responsibility. Every Gen-eral is now responsibility of the direc-tion of the whole devolves appearing the devolves appearing the weak are advanced much beyond the field of hattle. We took no prisoners, while we lost battle. We took no prisoners, while we lost battle. We took no prisoners, while we lost as prisoners two. thousand -one account Army and Navy. Every General is in says four thousand -officers and men. Our communication with the Secretary by tele-army was saved by desperate exercises. graph, and thus the various corps are in army was saved by desperate exertions, and after a heavy loss, from the conse quences of a skilful and well executed, and

most vigorous attack. This battle, and the resistance offered at Yorktown, shows that the enemy is still in considerable strength, and not by any means disposed to yield without a struggle. Taking the whole country, if we can believe the stories of the number of rebel troops at Corinth at Yorktown, in North Caro lina, South Carolina, Mississippi and Louisians, there must be still from two hundred and fifty to three-hundred thousand armed rebals in the field.

Gen. Halleck having taken the field in the West, and our ablest Generals all at the West, and our ablest Generals all at work in the East and South, and the em-bargo on the Mississippi raised, and the enemy having been taught a severe lesson, and learned that the Yankees will fight at pittsburgh Landing, there is every reason to hope for a certain and complete overto hope for a certain and complete over throw of the rebellion in a few months.
