Pittsburgh Bazet TUESDAY MORNING, APBIL

MOCH Interesting matter will be our first and fourth pages this morn The Next Congress--Interesting (respondence, In introducing the correspondence

low, it is proper to say that we have oliser letters addressed to Gen. Moonri and his replies, on the subject of the s tion of a member from the 21st Dis

for the next Congress, in which he been earnestly urged to permit his for a third time to come before the pe and in reply to which he has agree scrve another term, if desired by his stituente so to do. As the name of Thomas M. MABSI

Esq has been suggested by a correct dent in our columns, for the same offic is but proper to say that Mr. MARSHA among those who believe that Gen. M HEAD should be re-elected, and is an those mentioned above who have co

ponded with Gen. MOOBHEAD on the ect; and has urged his acceptance third torm. We are authorized by

MARSHALL to say that he is not, and ngt be a candidate, believing that the terests of the district require that Gen MOORNEAD should remain in a position has filled with so much acceptability to constituents:

Gen. MOORBRAD is now fairly before people of the Twenty-first District, as a c didate for Congress at the next elec subject of course to the decision of the publican Nominating Convention. We only say, for ourselves, that if the ination is accorded to Gen. MOORHEAD shall take pleasure in rendering him a dial support.

unat support. How J. K. HOORNEAD-Dear Sir : I have freq ly thought that our State, and especially the Wes-part of it, failed to urscribe that induces in the tional Connells which her wealth and popul justly suited, her to enjoy. This, I believe, a is sgreat measure from the frequent changes in representation.

therefore, that I shall not be consider I trust,

s truly, THOS. BAKEWEI

N, March 17, 186 weight to (whilst th expression the experifully yours. J. K. MOORHEA

Slavery in Maryland is Doome If any one doubts it, lot him read article we publish to-day from the Ba more American. Probably at no time fore the present could such an article be been published in Baltimore without ds ger, and it is cortain none would have be blished but for the march of even which are too swift and too powerful the peculiar institution to resist. Border States will soon be emancipat States, and anon, abolition States. Th future peace and prosperity are so bou up in the emancipation scheme, that the

cannot avoid the brilliant destiny which sweits them. Their only chance to save past. Whether either or all these parties awaits them. Their only chance to save anything from the iwreck of slavery is to seize the opportunity which the President has so kindly given them, and if they are wise they will hasten to avail themelves of it. But resist the format of freedom setting in upon thom. The doom of slavery is sealed in those States, and the wise ones see it, and or its timely use at the first aut will effectually prevent these formidable (oned, to which all horses are liable, and which rea ler so many otherwise valuable horses nearly worth

such a reception as this. It was introduced quietly, quietly referred to the Post-Office on. "The people of this country are brave and quietly, quietly referred to the Post-Office Committee, reported back by Senator Colla-mer, and passed, as if it were a measure affect-ing only white people. Thomas Jefferson's Postmaster-General, Gideon Granger, is the father of the iaw which the Senate voted to repeal. In 1807, he recommended its passage in a public communication, but gave his real restores in a public communication, but gave his real reasons in a private letter to a Georgia Sena-In dealing with the views so frankly ertor, he saying it was too delloate a subject to pressed in his letter, let us never for one be discussed openly; but the truth was that a moment forget that, for the precarious posegro amployed is the carriage of the mails sition new occupied by slavery in our own would soon .. "get to know too much, to know State, we are clearly indebted to South Caro ble rights," Mr. Granger's recommendation line and the other Cotton States. No asserlid not become a law till 1810. In 1825, when the Post-Office laws were remodeled, the statute of 1810, retained in substance, was modifed in form. It still stands upon the statute
