MEMORANDUM OBSERVERS FOR THE WEEK

REMEMBRANCE TO THE HONOR OF PENNSYLVANIA

Dr. Robert Hunter on the Treatment of Pulmonary Disease

TO THE EDITORS OF THE PITTSBURGH GAZETTE

As this is the season of danger to those suffering from affections of throat and lungs...

When, in 1851, I first introduced the direct treatment of lung disease by the inhalation of pure medicated vapors...

It will be observed that all these troops were mostly men from the West...

The oil market has been quiet during the week...

On Saturday evening a countryman named Follock...

Dr. Robert Hunter, of the New York...

THE PRESENT POSITION OF THE...
