THE ATTACK ON NEW ORLEANS. Pittsburgh Gazette. OPERATIONS OF THE GULF FLEET.

WEDNESDAY MORNING, APRIL 30.

ENTERING THE MISSISSIPPI RIVER. Porter's Mortar Fleet and other Vessels Assigned for the Attack.

FIF Baring purchased for our office the "Right" to the Dicks decommand and Dispatch Patent, sell of our mater of the second and and Dispatch Patent, sell of our mater of the second and and Dispatch Patent, sell of our mater of the second second second second second second white margins a small colored 'address stamp," or tabel, thereon appears their mane plainty prised, followed by the date up to which they have paid for their papers-this is eased according on the amount to received, and then being antheories. It yan at cid of Congress. The date will always be adsensed on the received of subcription money. In a cid a second and we did received is a surgeoper ac-cound at all times, a perfect immediate all is an surgeoper ac-cound to that if any writer is much he can immediate all paties that and have it corrected - a how alits valuable to its philicher and mberther, as it must terminate all pati-tial mission and the or the second the second the subcription and and the second theory theory respecting accounts, and substantiating a perfections them respecting accounts, and the second theory theory respecting accounts, and the second performant the second theory theory respecting accounts, and the second performant theory th Stephen Girard's Bequest:

The decision of Judge Hegins, if sus tained by the Supreme Court of the State, will invalidate the will of Stephen Girard; and the Girard College, at Philadelphia, by the New York Evening Post : one of the most splendid foundations in

for ejectment brought by the heirs of Stephon Girard against the city of Philadelphia. came on for trial before Judge Hegins last with a prospect of speedy work. week and though the electment had rela-

tion only to 21 tracts of land in the Ma-honey Coal Field, which contain about 8-500 sores, principally Goal land, and of vessels, and Porter has no less than twenbut acres, principally coal land, and of immense value, yet, if the views of Judge Hegins are sustained by the superior court, on the same ground the whole property, bo-questhed by Stephen Girard to found the College which bears his name, may, and no doubt soon will be, reclaimed by his heirs. We will not mention in detail the several points of law presented by the plaintiffs are doing the state more service down here We will not mention in detail the several points of law presented by the plaintiffs and defendants; suffice it to say that the Court firmed the plaintiffs' fourth point, and instructed the jury that upon the evi-dence the plaintiffs' were entitled to re-cover the land'described in the writ. The fourth point presented by the plaintiffs, and thus firmed by the court, was as follows: "That the devise in trust to apply the rents of the real estate in Pennsylvania, first, to the erection of new buildings upoly so much the reset as is situate in the city, and limitation as to time when such piling up of copital by the secundation as a form the city, infirst, to the sester as plainting, and instructed the evise of the cell and find the city so much the reset as is situate in the city, is the some may be necessary, has no limitation as to time when such piling up of copital by the accumulation as a form the city. Name when such piling the some may be necessary, has no limitation as to time when such piling and is to cease, but the same may continue points of law presented by the plaintiffs and defendants; suffice it to say that the Court affirmed the plaintiffs' fourth point, and instructed the jury that upon the evi-dence the plaintiffs were entitled to re-the set of the plaintiffs were entitled to re-

the contrabands at Port Royal. He not

an arose from cowardice on the part of the rebels rather than their weakness Preparations for a land attack on New

Orleans, in conjunction with that of the 1. Capital Nock fleet were made by Gen. Butler, and the 2. Sumber of shores of Stock embarkation of troops from Ship Island, supposed to be for New Orleans, was in flast simena some contex paid By the arrival of the Connecticut at New By the arrival of the Connecticut at New apposed to be for the Orleans, was in York, we have dates from Ship Island to the 18th of April. The accounts brought are interesting as showing the state of affairs in that region up to that date, which interpret the the state of the state of the state of the orleans. Was in progress for several days before the Con-necticut sailed. It was understood that these troops would be taken through the principal rebel batteries, and co-operate with the fleet when it should ascend to the lowin the state of the orleans. Was in progress for several days before the Con-necticut sailed. It was understood that these troops would be taken through the principal rebel batteries, and co-operate with the fleet when it should ascend to the just preceded the bombardment of Fort

THE REBEL FORTS AT PENSACOLA. The robel defences at Pensacola had not only been evacuated, but Forts McRae and Barrancas had been dismanited. Few rebels were at Pensacols, and these remained ap-parently on sufferance, with every prepar-ation made for a hasty retreat. The federal forces had not made any movement toward the occupation of the rebel works.

REBELS. All the towns on the west coast of Flori-All the towns on the west coast of Flori-da are now evacuated, or nearly so, by the rebel troops. Only at Pensacola and Tam-pa Bay do they pretend to hold military possession. At the latter place only one or two hundred are in occupation, and these evidently intended to evacuate the place on the approach of a hostile force. place on the approach of a hostile force. They are only the rear guard of a much-larger force which was recently stationed there. The rebels along the entire line are discouraged, and will, it is believed, from the statements of refusers readily submit

A FRENCH CAPTAIN MADE PRISONER BY THE

 Bolofe I arrived in the seed water the heet had begrup the great work of entiring the had begrup the great work of entiring the had begrup the great work of entiring the had begrup the great work of entire in the set of the difficulties of the said he had to differ, were not fit to the set of the difficulties of the task. The Mississippi river consents to have seess a for the Gulf only with an ungrateful compromise, and in the shape of a negeoutry limitation, and is therefore void."
 The case will of course be carried up to the Suthwest Pass. There had been some be sustained,—for the will of Stephen Girard has successfully resisted so many provious attempts on the part of the, heirs, and so that he likelihood of this "point" beils of in the likelihood of this "point" beils as a baloed against them, that we can hardly the larger vessels could not pass, and a the barger vessels could not pass, and a the larger vessels could not pass, and a stade of a fourty war vessels chus lightend sailed to pretain possession of the field, and their chieftain was laid in the larger vessels could not pass, and reshipped their armament higher up. The Colorado the state a valid as Judge Hegins seems to think.
 The Emancipation by Gen. Hunter. Gen. Huxtrs is moving in the right dirivation by Gen. Hunter. Gen. Huxtrs is moving in the right dirivation as a fore the Connecticut sailed from the contrabands at Port Royal. He not only a vis the back of a for thuy a day the foot bury in the river weeks, the last vessel crossing only the day war was waled af a formity a day for the pars. There weeks the last vessel crossing only the day in the river weeks, the last vessel crossing only the day be robels with their own becoming military honors. ing military honors.

blackles of the slave, however much the Vallandighams and the Brights of the wheels. Five were soon out of sight be-Democratic party, and such papers as the Pittaburgh *Poit*, may lament such a result. The last, however, was not so lucky. See-Pittaburgh Poit, may lament such a result. Slavery will sink, is sinking, from the natural effects of this pro-slavery war, and all complainings and wailings of the Demit compliantings and wainings of the Dem-corratic sympathizers with rebellion cannot prevent it. The Union will be restored, but it will be a Union of equal privileges. If we take Forts Phillip and Jatkson there is little to prevent our seet from going di-rectly up to the city, as Fort Leon is of no account. The rebells have stretched a The slaveholder's special privileges, which he enjoyed under the Union as it was, and which he imperilled by his own mad am-bition, and his hatred of freedom, are gone be no privileged classes, no imperious master, no groaning slave, no lordly aris-toorast, no oringing "poor white trash." I can neither witness nor participate in the We are approaching a better era, a more affair. glorious and more permanent state of equality, freedom and prosperity. Slavery may linger out a few years, but its vigor and infinence are gone, and it will never

from Washington says: Various reports are affect respecting the visit of. Count. Mercier to Richmond, and doubless most of them are mere specula-tions. I have it, however, upon excellent authority, that the Count has admitted to a distinguished member of this govern-ment, that his visit has convinced him this nothing but absolute subjugation will re-store the Union—in other words, that the rebels cannot be tempted by offers of compromise to some back to their old allegiance, but must be soone to dirers of compromise will be they proceeded surely, and so still that they so the wharf. Everything was quict. Signt of the steamer lying mear the wharf. Everything was quict they proceeded surely, and so still that they so the shore, the Union solitors in their little bat must be soone to fores of compromise will be

debt, all for naught, if we are at last to be humiliated by attempts at compromise. Let such achemes be left to the Vallandig-hams; the Starkes, and the Brights, of the Democratic party. We want nothing to do with them; and the great masses of the peo-ple will repudiate them. We must require unconditional and complete submission, and then; will be time enough to consider what elemency may be extended to such vile traitors, who would destroy this great nation for the sake of the foul system of She should not be confounded with the
