House.-Mr. Lovejor, 62-711. Dreamined the following resolutions which was adopted Resolved. That it is with Scaling of devot gratitude to Almighty God, that the House of Representatives, from time to time, have heard of the triumphs of the Union army in the great struggle for the supremacy of the Constitution, and the integrity of the Union. Resolved, That we receive with profeund satisfaction the intelligence of the recent vic-tories achieved by the armies of the Potomac, associated from their localities with thore of the Revolution, and that the sincere thanks of this House are hereby tendored to Major-General G. B. McClellan, for the display of those high military powers, which secure im-manilies. an life. Mr. Lovejoy offered a substitute. Highly modifying the resolution acted and rester-day, to secure freedom to all, and the thin the scalusive jurisdiction of ofference whin day, to secure freedom to all states the science of t The Molice is still not at a still the states been provide strip moleculation of the states of the st

the car causing ins below the plank, when up the head was forced below the plank, when up fell to the ground. The scalp in zeveral places was peeled off, as was also the skin of the face, thus alding the escape of the head down-wards, where there was plenty of room for whe body, the shoulders not having been the body, the shoulders not having been wards, where there was pienty of total to the body, the shoulders not having been presend at all. At first it was supposed that the wounds were not faul, but blood continued the wounds were not faul, but blood continued to flow from the ears so steadily that it was evident that he had been injured internally, evi. ent that hs had been injure and de th was the consequence.
