endorate speece in support of his substitute on Monday. Gen. Hunter's proclamation, it can be posi-itively stated, was issued without the authori-ty or knowledge of the President, whom it took entirely by surprise. What will be done with it is a question yst to be decided. There was no cabinet meeting yesterday, and it is not probable that any determination will be definitely made until the three members of the Cabinet-Secretaries Soward and Welles, and Attorney General Bates-who are etill at Fortress Monroe, return, which will pot be till Monday. It was expected that Mr. Wickliffe, or some other Border Statis zealot, would seek to in-troduce a resolution of inquiry into the House to-day; but they were silent, whether upon with the set is to be added against and the probability of a provide that the reasonage of the provide is the pro

Important from Port Royal.

From Cairo. Caino, May 17.-The steamer Diligent, from Hickman, brought up a load of refugees from Memphis and other points South, to day. They all tell the same story of the hardships in endured in traveling by foot through the woods and swamps, subsisting upon such pro-vision as could be carried in their pockets. They are almost entirely domposed of men in the prime of life. They bring Memphis papers to the l3th. We learn from the telegraphic 1 columns of these papers that Pensacola was to vacuated on the 12th. > New Yorx, April 18.—Letters from Port Royal, by the steamer Atlantic, report that the accession of the negro pilot; Small, who ran away from Charleston with the robol tug boat, is deemed more important than the heavy guns she carried, as Small is thor-oughly accusated with all the intricacios of the navierita is the tracient
