- flar measures taken in authority of law, the i which were without any authority of law, then n Government was saved from overthrow. I am not aware that a dollar of the public funds, thus confided, without authority of law, to it of law, to traordinary proceedings, and wore nocetsari-it prover the set of law, the set of law of law, mouth, the cause my attention has been directed; to a irresolution which was passed by the House of the law of the set of the law, mouth, which is in these words: "Resolved, That Simon Cameron, late See-of relay of War, by investing Alexander Cum-

which is in these works -"Reodered, That Simon Cameron, late Sec-retary of War, by investing Alexander Cam-mings with the control of large sums of the public money, and authority to purchase mil-itary supplies without restriction—without reo-quiring from bin any guarantee for the faith-iul performance of his duties, when the sur-vices of competent public officers. wars availa-ble, and by involving the Government in a-ble, and by involving the Government in a-guimately engaged in the-basiness portain-ing to the subject matter of such contracts, sepscially in the purchase of arms for future. delivery, has adopted a pailog highly injurious, delivery, has adopted a pailog highly injurious of the House."

to the public service, and deserves the consurd, of the House." Congress will soo that I should be wanting equally in candor and in justice if I should leave the consure, expressed in this resolu-tion, to rest exclusively or chiefly upon Mr. Cameron. The same sentiment is unanimously entertained by the Heads of the Departments who participated in the proceedings which the House of Representatives has censured. It is due to Mr. Cameron to say that, al-though he fully approved the proceedings, they were not moved or suggested by himself, and that not only the President, but all tho other Heads of Departments, were at least equally responsible with him for whatever er-ror, wrong, or fault, was committed in the premises.

Premises. ABBAHAW LINCOLN. Washington, May 25, 1862.

The Reconsideration of the Eman-cipation Bill-

We are exceedingly gratified that the true Republicans of Congress have succeeded in

Republicans of Congress nave successed in moving a reconsideration of the emandpation bill, and that they have put off, after a hard fight, the vote on the question of -reconsidera-tion, until next : Wednesday. A dispatch to the Tribuse says:

fight, the vote on the question of version that is the Tribuse says: As only one more vote beside that of Mr. Porter is required to be changed to make a tis, which will enable Speaker Grow to achieve a reconsideration, it is condicatily believed by the friends of the bill, that the motion will portail. In that case, a substitute will be offered fraced in accordance with the views suggested by Mr. Portor to-day, which, in-stead of freeing all the slaves of robers at once, will embrace sections freeing immedi-ated the state of the same lead-ing the state of the state of the same lead-ing the state of the state of all other robers at ine configuration of sixy days if they do not lie down their arms. It will also costains clauses similar to a section of Mr. Blar's amendment offered yesterday, providing for voluntary colonization. In this shape if is believed that the bill of liberty will receive the views and comparison of sizy days if they do not lie down their arms. It will also costain a clause similar to a section of Mr. Blar's amendment offered yesterday, moviding for voluntary colonization. In this shape if is believed that the bill of liberty will receive the volus of a majority of the Senate are that both it and the Confiscation bill will receive the volus failer. The course of several members from Vermoni, whore views coincide with those of eortain Senators who opposed Mr. Trambulf-bill, is voting for Mr. Elitic's bill at lasf, renders it probable that those Senators will follow their asample when the question as-sumes the same shape.
