Bittsburgh Gazette. MONDAY MORNING, JULY 7.

The Administration.

We see that some of our cotemporaries. Congress grew wrathy over it. The trenchare disposed to find fault with the Adminare disposed to have really with Mr. STANTON, as a razor, and brings down the public in emy's hands. for the reverses on the Peninsula. This is a roar of laughter, at the expense of Wick-

Genr Hunter's Letter.

for the reverses on the Peninsula. This is most unjust, and is calculated to provoke retaliation. That there have been grave errors, there is no doubt-errors which have caused the nation to mourn, and have sent a pang to every patriotic heart. The friends of the Administration are not we think most unjustly. There is not a

we think most unjustly. There is not a to know whether he had organized, or was

by the unacclimated white men of the free States? They were so employed with ex-cellent results at the evacuation of the any other public man in the country, but who has, for the sake of the great cause, been borne with, with a patience and forbearance as remarkable as the provocation has been great. All this has been for the sake of the country If the Administration is, however, to be assailed, and made the scape-goat of sins not its own, duty and justice will compel its friends to defend it

playing great natural capacities for ac-quiring the duties of the soldier. They are eager, beyond all things, to take the field and be led into action; and it is the unanby writing up some past history. AT THE submission meeting in New York, which passed with cheers, laudations of McClellan and Halleck, several attempts were made to get np cheers for the Presi-

and be led into action ; and it is the unan-imous opinion of the officers who have had charge of them, that in the peculiarities of this climate and country they will prove invaluable auxiliaries, fully equal to the similar regiments so long and successfully used by the British authorities in the West India Islands." This is powerful testimony, from a powerful quarter, and in this hour, probably the darkest of the war, it becomes our mblic anthorities to weigh it carefully. dent, but every attempt failed. This is the highest praise the President could have received. / Cheers from such a quarter would have been contaminating. The great body our public authorities to weigh it carefully. of that meeting were intensely hostile to the President-had voted against him, and Let Us Know the Facts. meant to vote against him every chance

A correspondent of the New York Tribune, they could get-and disdained to utter writing from the Peninsula, has made some fraudulent and hypocritical cheers. They most outrageous attacks upon the Adminhate him with a perfect hatred. They will istration, while exalting the "masterly gefavor and flatter, as long as they think nins" of McClellan. The Tribune, in pubthey can induce him to put their friends in lishing the letter, says : office, but, bad as they are, they were not We print the above letter unaltered, pre hypocrites enough to cheer a man they suming our readers would like to judge for themselves of the views of an intelligent observer on the field of operations. But we do not hold ourselves responsible for

know to be a true Republican patriot. A Terrible Scene.

A correspondent of the New York his opinions, nor even agree with him in the strictures upon the Government, which James River, gives the following descrip-James River, gives the following descripinforce from time to time, and as speedily as possible the Army of the Potomac, so far as it could with safety to other exposed tion of the state of affairs, on a part of

the line: From 10 c'clock until 5, the front of the columns halted. Gens. McClellan, Keyes, Porter. Peck, Morrell, Butterfield, and has it could with Salety to until carbon outside market of the points. Nor are we aware that any dis-oussion on the merits of different Generals has interfered with this imperative duty. columns halted. Gens. McCiellan, Keyes, Porter, Peck, Morrell, Butterfield, and others, were in anxious consultation. Had We do not think the editor did his duty

The letter of Gen. Huszrz, in answer to Wickliffe's resolution, is admirable for its spirit, its temper, and its cogency. Its ar spirit, its temper, and its cogency. Its ar-guments are unanswerable, and we do not wonder that the traitorous malcontents in Congress grew wrathy over it. The trench-ant pen of they terans oldier cuts as keenly or a mean and they are an area to be transported no further. I can form no estimate of the en-tire value, but it is immense. One thing is certain, but little has fallen into the en-

AS A TONIC, it has no equal. Unlike the man vile mixtures called "Bitters," it creates no false HUGUS' ppetite, but gives tons and vigor to the system gradually and permanently.

A beautiful amortment of LACE POINTS AND STA SPURIOUS ANTICLE being in the Parfect, resdars great caution necessary in purchasing. Ask for that prepared by Dr. LINDSET, and take no other.
