A TREPORARY ORGANIZATION.

SENATE.—The Senate convened at 9 o'clock.

The Bay. Dr. Sunderland, Chaplain, returned thanks to the Threne of Grace for the American State Convention assembled in the Hall of the Government, and for results that had this session been accomplished. To this filtering of a commission to accretain the losses incurred to the Government, and for results that had this session been accomplished. To this filtering of the oppointment of a commission to accretain the losses incurred by the loyal citizens from the appropriate session been accomplished. To this filtering to the following: Providing or the following: Providing of the following: Providing or the following: Providing or the following: Providing of the following: Providing of the following session been accomplished. To this iliustri-ous Congress were the American people in-debted for some of the noblest enactments that have adorned the Republic. He gave thanks for the harmoney of action that has prevailed; for the firmness with which trea-son has been rebuked and corruption de-nounced, and for the general wisdom and fore-sight with which they have performed their duties.

House.—The reading of yesterday's journal consumed half an hour. Various mesages were received from the Senate concerning certain bills.

The Speaker signed numerous enrolled bills, and much confusion prevailed.

The bill to divide Michigan into two judicial districts was passed.

The bill to divide Michigan into two judical districts was passed.

Mr. Stevens, of Pa, moved that the House concur in the request of the Senate to extend the adjournment till 2 o'clock to-day.

The Speaker also laid before the House a message from the President, recommending that some suitable acknowledgment be made to Mr. Vanderbilt for the gift to the Government of the vessel bearing that name, which has been doing valuable service. Referred to the Committee on Naval Affairs.

The House passed the Senate joint resolution making further appropriations for the current and incidental expenses of the Indian Department.

current and incidental expenses of the Indian
Department.
Mr. Wickliffe, of Ky., asked leave to introduce a resolution that it shall be the duty
of ithe Government to order a record to be
kept of the names, ages and sox of all slaves
received into our lines, under protection of
the army, together with the names of the
owners of the same.
Mr. Bingham, of Ohio, objected to the introduction of the resolution.
Mr. Wickliffe moved a suspension of the
rules. Not agreed to—yeas 58, nays 45—not
two thirds.

Wr. Hooper, of Massachusetts, asked the consent of the House to introduce a bill providing that on and after the lat of August, all postage and other United States stamps shall be received for all dues less than \$5, and which may be received.

The Senate took no definite action upon the

The Senats took no definite action upon the House bills to totally abolish the franking privilege, and to repeal all laws allowing the present Congress.

The House bill providing for the discharge of State prisoners failed in the Senate.

The Seoretary of War, in response to the resolution of the House, calling for all the evidence on the files as relates to the question whether any member or members of Congress have had any interest in Government contracts since April last, transmitted a printed copy of the document, heretofore sent to the Senate, concerning the arrangement between Schuberth and Senator Simmons, which he says is all the information on the files of that Department.

Among the last acts invaled.

eays is all the information on the files of that
Department.

CASE OF DANIEL A. BOYD.

Dn. G. H. Estere:—I take pleasure in making this voluntary statement in favor of a medicine pre-pared by you called "Lumant's Bloom Statemen." I had suffered for five years with Ecrofuls, which broke out on my head and forehead so as to disfigura me very much, and took off the hair when the dis-case made its appearance, it also broke out on my arm above and below the ellow, and est into the skin and flesh se as to expose a fearful sore. The discuss We are obliged to leave Winchester, as the must confess I had no faith in patent medicince, but after I had used three bottles of Blood Searcher, the nicers on my head and arm began to heal. I hav now taken eight or ten bottles, and my head and arra are entirely well except the scars remaining from the scree. I will also state that I had the resumation very had in my arms and legs. The Blood Searcher also cured the rheumatism. I am now a well over forty years of age, and I feel as suple and as I did when I was twenty, and have increof the sore. Dr. Keyser had a photograph when of a me by Mr. Cargo, the artist after I began to get well. It does not show my appearance as bad as it was before I commenced taking the medicine. You can see the photograph, one of which is now in tay which was made before Dr. Keyser commonoed mak-

possession, and also at Dr. Keyser,s, 140 Wood street I would also state that I took the Blood Searche over that until I got the kind undo by Dr. Aryser is imself. One bottle of his did me more good than a twe of the old. I believe it is A great deal stronger illy are respectfully invited and I believe it has helped the whole of them. Thu all who are afficted as I was may oc cared. I live in this city, No. 4 Pinestreet, and am employed at Out.
