PITTERUNGH, December 31, 1861. I had suffered for five years with Scroinla, which

broke out on my best and forehead so as to distigure me very much, and took off the hair when the dis-come made its appearance; it also broke out on my arm above and below the show, and est into the ak.w and flesh so as to expose a fearful ours. The diseas on my head want so far that several small places of bons camedout. I was very woak and low spirited, and had given up all hops of over getting well. I had tried several skillful thysicians and they did me

no good. In September ! sat, 1801, I was induced to "LINDSEY'S IMPRO ED BLOOD SEABCHER." must confees I had no fal. , in patent medicines, but after I had used three bottles of Blood Searcher, the ulcors on my head and arm began to head. I have now taken eighter ten bottles, and my head and arm

now maken wighter ten both and the maximum state and are confired well except the scars tensibility forms the screet. I will also state, that I had the maximum start had in my arms and legs. The Blood Boarcher also cured the rhenmatism. I am now a well man, over forty years of age, and I feel as suple and young as I did when I was twenty, and have increased in weight twenty pounds. I would also state the' the disease in my forehead was so had that when he
