SERNADE TO GOV. CURTIN.—GOV. Curtin t was serenaded at the Monongabela House last vereing, by the Frohsinn Society and Young's Brass Band: He responded from the Water street balcody, in a brief but patriotic speech, and was warmly applauded. The largacrowd, not satisfied with what they had heard, called a loudly for Judge Shannon, who made an eloquent and patriotic response, after which the crowd dispersed.

THE YOUNG GUARD.—Lieut. In paying for beer, they sliege that they got a counterfeit half dollar in change, and on Monday evening O'Neill and Kinney went back to get a good half dollar for the bad one. Williams stood on the pavement, while the others went into the bar room. While they were in there, a number of police came to the house (it was then shout nine o'clock) and arrested all the inmates—an information for keeping a disorderly house having been made.

O'Neill and Kinney were arrested without a warrant, and no information had been made against them—no prosecutor appearing to charge them with any offence. On reaching the watch house, these men were required by the acting Captain of the Watch to pledge a sum of money, as security for their appearance, or be locked 'up till morning. Whilliams sent to his boarding house, on Wood street, and got 53, which secured his release. Kinney and O'Neill pledged \$5, and were discharged on condition that they appear before the Mayor on the following morning.

The three young men appeared on Tuesday was disposed of, by fining a number of those taken from the house, inate and female, but nothing was done in this case. The men then demanded a hearing, and were told to come at seven o'clock in the evaning, when their case would be attended to. They came at faith, refered
