Warted Immediately—Two competent weight twenty pounds. I would also stope the the stooped and lifted anything heavy, the blood run on of the sore. Dr. Keysor had a photograph, taken of me by Mr. Cargo, the artist, after I began to got well. It does not show my appearance as bus not it west. It does not now my appearance was before I commenced taking the medicine. You can see the photograph, one of which is now in my possession, and also at Dr. Keyser, s. 140 Wood street. I would also state that I took the Blood Searcher which was made before Dr. Keyser commence and which was made before Dr. Keyler commonce, all ing it. Although it helped me some, I did not recover fast until I got the kind made by Dr. Keyler himself. One bottle of his did me more good that two of the old. I believe it is a great deal and better. I have recommended the Blood Search or to a great many of my friends for various discases and I believe it has belped the whole of them. You may publish this if you wish, and I am anxious the all who are afflicted as I was may no cured. A BLIND MAN CURED.

I live in Sligo, at Clinton Mill, and bare trees nearly blind in both eyes for nearly four years. I called on Dr. Keyeer about three months ago, and asked him to give me directions to the Institution for the Blind in Philadelphia. He told me that I need not go to Philadelphia to get well, as he had medicine that would cure me, as he said my dise as was in the blood. If was treated for it two or three times in the hoppital in this city, and was relieved, but my disease always returned after a month or two after I came out of the hospital. I found, my directed according to the complex of the said of the disease was enuming and I called, by, the said of good friend of mine, on Dr. Reyser, who has responsed my sight, and my eyes are nearly as well as event. The Doctor gave me "Lindsey's Blood Searcher" and a wash.
