tomach as been relieved from: its periods, and its now, asfe, probably at Torktown, where itstrated from last spring in all its pride, and imagnificence of men and materials. Over one hundred and fifty thousand men entered upon this boot-less expedition; how many, have returned by cannot say, but probably not more than half of those who landed on the Peninsula with high hopes and brave hearts. This splendid army has dwindled way in marghed in the process of the first process and diggings, and swamps, and in rejorious fightings at a disadvantage, and it rejurns, it is add, with gladness mingled with regret-gladness at its deliverance from a hopeless enterprise, and regret that it had been prevented, by a lack of generalship, from accomplishing the work the nation confidently expected from it.

A fearful responsibility has been assumed or has fallen upon semelody for this strictly held to answer for it. The nation in this time of peril is long-suffering. It awaits sanother time for calling those concerned to account; but they need not think to escape. Such grand sins against a confiding people cannot be passed over.

No one blames the army or the Generals of Divisions and Corps. All have won imperisable renown. May they march to their, arex field of conflict under better assiptions.

In the extrication of this army, which has been admitted the confidence of the profound and the first policy, yet now let us the passed of the think of the fast way being a districtly held to answer for it. The nation of this military capacity, is, in our bank of the passed over.

No one blames the army or the Generals of Divisions and Corps. All have won imperisable renown. May they march to the passed over, we provide and escape is specify and the reinfar an application of the passed over, we provide and the profound and escape is specify and the reinfar and proposition, that in a contest where order is marked dagainst to the passed over the passed over, we provide and the profound and the profound and the profound and the profound

ville. Having his preparations all made, at the very moment when the enemy had his eyes turned to Pore, having previously deceived him as to his intentions by the attack on the field of Malvern, and by sending a force to the south side of the James, he suddenly moves the Potomac army out of its dangerous position, and before the enemy found it out, the army

was gone. It was ably done.

mail party in moderating and guiding the National councils in this stormy crisis. 'My friend,' gravely responded the ambassador, 'be entreated not to deceive yourself. Your country is in revolution, and no revolution ever ends in the success of

whose mind is not blinded by prejudice, but must acknowledge the truth of the statement of the ambassador—"but one of two results is possible—disunion or abolition?" Now, ye wise men; ye patriots; ye lovers of your country, choose ye. Let the absurd, wicked and disgraceful prejudice against the black man govern your intellect, and you will dee de against the lack will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect, and you will dee de against the lack man govern your intellect. tion, and although you may not admit that Carries off other chattles to aid its escape.

Better sell to Uncle Sam. More money init. you mean disunion, yet you are shut up to one or the other. Choose ye, and choose

organ of the colored people of New York—
npon the respective merits of the two papers.

As it is an interesting question, we copy the African to the Scotchman savage, and then they are prepared to fear our men to pieces. He says they do not remained "The Negro in Town," that paper takes occasion to poke fun at the comparatively stringent pecuniary circumstances of our humble issues, monthly and weekly. A friend, on reading this fling, bids us not the discouraged. He assures us that one of the New York Ward and the secretary of the support of the replace of the same as well as a warning and a caution to young men who suffer from Nervous Debility, Frenature Decay, Act, support of the rebels. He states that a large great expense through medical imposition and quackets of our humble issues, monthly and weekly. A friend, on reading this fling, bids us not the discouraged. He assures us that one of the New York Ward and the second of the sauthor, NATHAM-ILL, ILL MAYFAIR, Eac., Bedierd, Kings Co., N. Y. mbilityday.

"Born in a garret, in a kitchen bred;"
that said paper, twenty odd years ago, emerged daily from a cellar down town, about half the size of The Weekly Anglo-African; and one day the editor made a most pitcons appeal for some one to lend him three hundred dollars to save his paper from ruin. This friend—a colored mechanic, at that time, a retired gentleman now—had made up his mind to go sad lend the editor is question three hundred dollars, when, on opening the paper next day, he editor is question three hundred dollars, when, on opening the paper next day, he found a violent article against the negroes.

This shut up that gentleman's pocket, but ha understood that a colored brother (our namesake, but no relation) did lend the aditor of that sheet the three hundred dollars, were Thursday morning; man-aditor of that sheet the three hundred dollars, were Thursday morning; man-aditor of that sheet the three hundred dollars, when a proposition of the sail of the proposition of the propositio large and thus saved The New York Herald from an early death. So the New York Herald at this moment actually loves its exist. ence to a timely loan from a negro capitalist!

Both The Herald and the capitalist!" still tioe," and the capitalist is said, on many subsequent occasions, to have contributed to

ils proprietor, in every way in which both are or kase been notorious. Huntingdon County. The Republican County Convention of ion county, met on Tuesday, Aug. gress; I Powell Stewart for Senstor; A W. Benediot for Assembly, and George W. Johnston for Sheriff. The Convention adopted the following resolutions:

Resolved That this Convention endorses a conrect of the Hon. David Wilmot in the United States Senate, as eminently patri Milton, Dorchester and Quincy, Massachuotte, upright, and deserving the approval setts in damp localities, on Sunday morning, of the people of Pennsylvania.

Resolved, That we consider it the duly of the National Government to accept the services of all loyal men as soldiers, to suppress the present rabellion. Manuallass of the State of

The Army of the Potomac.

The Army of the Potomac.

The bet us rejoice that the army of the Potomac has been relieved from its perilous condition and is now safe, probably at vorktown, where it started from last spring.

The public patience is, we believe, about wearied out with that sort of thing. We want short telegrams an anouncing that something is doing, rather than long apologistic rigmarcle in defence of doing nothing. The nation is promptly meeting the war.

Forktown, where it started from last spring

Gen. Pillow's Negroes A letter from Helena, Arkansas, says: And as I see that Gen. Pillow is much exercised in mind about his negroes, I will give him all the information. I can on that point; and may they be words of comfort to his troubled soul. Prompted by curiosity, I visited his plantations the other day, and was gone. It was ably done.

There are some fears now for Pope. The enemy, enraged to find himself out-generated, and washington, before the Potomac army can get up. This has, no doubt, been anticipated and provided against. Pope may be in some danger, but McClellan's army can be at Washington before the reballs oan reach there.

The questions now arise, are there to be three independent armies in the field, commissary stores, and place the army for the capture of Richmond under one head. We trust the error of independent commands in the field, which proved so disastrous in the valley of the Shenandoab, will not be related to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively to a noble pound occupants plenty, and his abundant crops of corn were being extensively of a noble plenty were being extensively on a noble put the being extensively to a noble plenty, and his abundant crops of corn were being extensively on another corn were being extensively of the hourself out a noble plenty with the barre and one or were being extensively bursels abundant crops of corn were being extensively broase, and one or two fields of hundreds of hundreds of the serves being extensively broase, and one or two fields of hundreds of hundreds of the serves being extensive
