22 MUON interesting matter will be found on our first and fourth pages this morning. Our Ticket.

The ticket nominated yesterday, by the Republican Convention, will give great him to. gratification to the loyal people of this county. It becomes the Republican party,

whose nominations in this county are be proud of. Its selections should be made | letters against their commander. The Chiwith care and due discrimination, and no cago Tribune says : name should be presented unworthy of sup-

port. All this may be said of the action of the Convention yesterday. The ficket is eminently a good one. Hon. J. K. MOORHEAD, the candidate for Congress in the 22d district, has represented the district already for two terms. His unanimous nomination for a third term-is the highest testimonial which could be given of the public appreciation

of his ability and fidelity in the past. of his ability and fidelity in the past. Hon. THOMAS WILLIANS, who is presented by the Allegheny portion of the 23d dis-rebel property, returning loyal slaves and trict for nomination, is one of the ablest men in this State. He has few equals as a bater and an orator, and he possesses a vigor and grasp of mind which always causes him to be listened to with pleasure

and respect. If he is ratified, as we trus he will be, by Butler and Armstrong, he will make his mark in Congress, as one of the great men of the nation. JAMES L. GRAHAM, ESQ., late Sheriff, ou canditate for Senate, is one of the most

worthy men.
