to make whatever provisions may be here a service. the make whatever provisions may be here a service. the make whatever provisions may be here a service. LEAVENWORTH, Sept. 9...-On Saturday night Quantill, with a force variously estimated at from 200 to 1,000 mm, entered Olesake, John-son county, Kansas. At the latest accounts Quantill still held the place. Several atores were robbed. The office of the Mirror news-generation of the service. The wound is doing much better then had been expected. The set of the service. The set of the service.

The news from Frederick; to-day, indicate that at any rate the rebels are improving their time by laying in a heavy stock of pro-visions, scouring the country for beeves, hogs, wheat and corn, and hurrying all they can collect back over the Potomas and within their Virginis lines. They seem to have dropped the specious pretend with which they set out, of paying for whatever they wanted in United States Treasury notes. Now, they either pay in Virginis bills or Confederate scrip, or re-fase to pay anything at all. RECOVERTIG:
