Naval Operations in Texas Waters. Lient. J. J. Kittridge, commanding the squadron blockading Aransas, has made a report to the Navy Department of his recent attempt to drive the robols from Aransas and Corpus Christi Bays and vicinity in Texas. He announces the capture of the robol armed vessel Breaker, and also the destruction of the robol armed schooner Elmer, and alcop Hannah. The day succeeding the encounter with these vessels, he landed at Corpus Christi under a flag of truce, and had an interview with Majl Hobby, in command of the robols, and Judge Gipin, Chief Justice of the conty, of whom he demanded the excussion of the town by the military, adding that if they re-fused it would be necessary to remove tha women and children, as he should open free. The robels asked for forty-eight heurs, in which to sonsider the proposition, which was granted. This time they used in creeding batteries, from which they fired upon our ves-sels. The for was returned with splitt, and

batteries, from which they used in creeting batteries, from which they fired upon our ves-sels. The fire was returned with spirit, and their batteries second silveries.

asis. The fire was returned with spirit, and their batteries soon silenced; but as soon as the firing ceased or our side they recorded upon us. Firing was kept up for two or three days, when the rebels, having been scattered
by our fire, retreated to the piains.
Boble ro-enforcements, however, approach-ing, and our ammunition being nearly ex-hausted, it was deemed best not to pursue our advantage, for the purpose of repairing the slight damage done to the vessels and get a stack might be made. Our loss was one killed—John Allen—none wounded.
