bly so much of the plot as is above developed Pittsburgh Gazette. has been published as a feeler of the public

Never was a Government or nation more MONDAY MORNING, SEPT. 15. The Invasion of Penn yivania. there was never a time which called more are for peace and compromise, and concilin jeopardy than ours, at this moment, and for a spirit of self-sacrificing patriotism. The National War Committee, of New

Exciting News from Harrisburg. Urgent Demand for Troops.

Ova special dispatches from Harrisburg About Our Generals--How Popular-ity is Won. under date of Sunday, will be found interesting and exciting. It is assorted that a The following is an extract of a letter from Washington, from "Agate." large force of rebel cavalry entered and occu-

HOW POPE AND M'DOWELL STAND. ied the town of Millersburg, in Adams The late changes in command here are county, thus for the first time polluting the spil of the old Koystons State by the tread of purely the work of the soldiers. As I have

written above, the Government professes to traitors. The presence of the foe on our territory will cause such a rush to arms as has have its confidence in no way shaken in. Pope and McDowell. As lately as last never yet been witnessed in the North. The State Capital is now crowded with Saturday Gen. Halleck said that Pope had troops, and fresh legions are pouring in daily. | made no military mistakes through the

and if the rebain advance, they will be met at to the defenses of Washington | And on the same day a member of the Cabinet declared every step with death and destruction. step with death and destruction. ass L. Graham, Esq., who left this city certainly de nothing against McDowell be-James L. Granam, Edg., which the buquesne on Saturday, as a private in the Duquesne Light Infantry, (for State defense) has been detailed by Governor Curtin for the purpore of urging our people to organize and go for-lamor, which the friends of some of our consets know so well how to raise against ward immediately to the scene of action. He generals know so well how to raise against their rivals, both Pope and McDowell had

ward immediately to the scene of and enter at will reach here this afternoon, and enter at once upon the business which has been as-their soldiers that the interests of the ser signed to him.

We learn from Col. S. M. Wickersham, Acting Aid de Camp to Gen. Howe, that ten companies have reported, ready to leave at eight o'clock this evening. One of these is from Allegheny, under command of Capt. J. We companies that the shole secret of the have had a new Department organized for him in the field of -his old labors-giving him Illinois and Missouri for his charge; while the story is that MoDowell is to be M. Cooper, and the others are from the adcommandant at West Point till the Board joining counties.' A regimental organization of Inquiry which he has demanded can

has not yet been effected. Transportation has convene. been ordered, and the man will leave at the HOW SOLDIERS MAKE AND UNMAKE GENERAL time stated.

The appointment of McClellan to an in Col. Wickersham is also advised that eight companies, belonging to the two cities, are the soldiers-the first beginnings of the already organized, and will probably report to-day.

the solution and a strain of the solution of the solution of the army in public affairs of which we have had so many predictions, and of which the history of other nations affords so many examples. Five days before his appointment to the command of the defenses of Washington, I do not believe it interview to have a regiment under We may mention, in this connection, a great misapprehension which exists in the nds of many-namely : that those who enlist for State defense may be kept in service for nine months. A dispatch to Assistant Adjutant General Howe, from Adjutant Gen eral Russell, states distinctly that the militia will only be required for State defence during | confiden the present exigency.

P. S .-- Later intelligence indicates that the rebels have fallon back, and recrossed the Pennsylvania line into Maryland-our picklieve to be the simple history of the extrasta having been advanced as far as Hagers-

patched from Washington. In ordinary President, therefore, that the re-appoint-ment of McClellan was a necessity, it was times, we should regard the article as an times, we should regard the article as an emanation of the dark malignity which dictates the whole policy of that paper. But we have from various quarters indica-tions that there is terrible treachery to the liberties, of the country brewing; and the terrible treachery to the the searce of the country brewing; and the terrible treachery to the the terrible treachery to the the searce of the country brewing; and the terrible treachery to the the terrible treacher terrible treachery to the the terrible treachery to the the terrible treachery to the the terrible treacher terrible treachery to the the terrible treacher terrible treacher terrible treachery to the the terrible treacher terrible ter whether the programme is as shadowed WCLELLAN TO HAVE & FAIR TRIAL AGAIN.

whether the programme is is an anatower forth below, or in some other form, we fear the nation is now sitting on a slumbering volcane, which may burst forth; or may not, as the conspirators may succeed in their plans, or receive encouragement. single defeat at this stage of their game would bring upon them irretrievable ruin and disgrace. From several sources it has been inti-mated that they are anxious to abandon the independent nationality programme, and to proclaim themsolves the friends of the lunion, and the Constitution. It was the less extent does the same.

mated that they are anxious to abandon the independent nationality programme, and the Constitution. It was reported a few days ago, that the rebeal army, inder Stonewall Jackson, upon touching: There have been a faw unfortunate things in McDowell's career that testered hind darns the dard, announced that they were coming to impose in the had been created. He should be stars and announced that they were coming to impose in the had been created. He was the old constitution. A gentle moved among his soldiers as rigid and announced that they were coming to impose in the had been created. He was condentially inclustered to entertain secession procivities, who has recently been a prime in the solution is the out size of the invasion of the invasion

cians, they are ready now to undo all they have done—to trample under their own fest the Constitution of the so-called Confederate States, and the new figs they have attempt-ed to introduce, and to enter the arena. We had an admirable illustration of the an armed political organisation, for the pur-pose of working out a revolution which they have been unable to effect by the simple force of arms.

The series of outputs of the program is along for the program is along to find the program is a long of the

he will lay all upon the altar of his coun-try, and be prepared at all events for the worst. The liberties of the people must be preserved, even if every part of the land of prompt action now, and promised to do his best. Said the Senator, "McClellan is article referred to: There have been frequent indications of late that the rebelleaders are heartily tired of their attempt to organize an indepen-dent confederat at this stage of their game that, under existing circumstances, there is indic hoe to obtaining a recognition of their independence as a nation from Euro pan Powers. They see, also, that their rebelleaders are heartily tired militis brought into the field, and that single defeat at this stage of their game would bring upon them irretrievable ruin and disgrace. Throm several sources it has been init-
