Mr. HUGHES does not stand alone in his onable project. All the leading papers of his party stand by him and defend him. The Philadelphia Evening Journal, the party organ of that city, boldly announces its readiness to make the principles of that resolution the issue "now," ples of that resolution the issue 'now," plumply, whilst they keep it to them while the Post of this city, only last Mon-selves. But the szistégee of "the proday, says:

gramme" is now a matter of fact, thanks The very worst these radicals can say of Mr. Hughes is, that in February, 1861, he was anzious to save the Uniou and avoid civil war. The head and front of his portion of the army officers have deliboffending" consists in a desire to prevent the calamities of internal strife, which has already sent hundreds of thousands to unerately settled upon delay and procrastialready: sent hundreds of thousands to un-timely graves, and which now promises to become a war of atrocities and slaughter unparalleled in the history of even heathen nations. To proven this terrible state of affairs Mr. Hughes was anzions, and because of his anxiety to save a country upon the brink of destruction, our bloody and infuriated Abolitionists still denounce they please.

This is an emphatic endorsement by JAMSS P. BARR, candidate for Surveyor General on the State ticket of that reso-Union, and that resolution is the issue at JETS. DAVIS, is one of the means of carry-

the coming election. It is so, not by inference, but by the positive and emphatic declarations of the men who lead and control that traitorous organization. It is the declaration of principles put forth by what claims to be the Democratic party. In such a state of things what are loyal

Democrats to do? Is it their duty, for cake of a name which has lost all its original significance-which has long been prosdisad to the defence of slavery, and is now made the dishonored adjunct of treacompromise which would save slavery." This, then, is "the programme." Wh son, to vote for men whose first act, should

they get into power, will be to rend the on, to trample the flag of their country. in the dust, to tear this bright central star from its place in the glorious constellation of the Union, and cast it, dimmed and be-
