Low as Mr. Russell had su..k in public restimation by his American correspon-dence, he never evinced one half of the in partiality or even the malignancy of his successor. Before many months elapse he will, we predict, also find his occupation is gone, and ask for a furlough to recover his health in the atmosphere of London. The old phrase, "poetic license," is likely to re-iceive a new and not very eaviable sig-nificance through the Mackay correspon-dence of the Times.
