THE PERSIDENT'S POSITION. The extreme moderation with which the resident advanced to his design—his long avowed expectant policy, as if he chose to be strictly the executive of the best public sen timent of the country, maiting only till i a minn that home ever intended by activity of such extreme varieties of opinion—so reticent that his decision has taken all parties by surprise, while yet it; is the just requel of his prior acts—the firm tone in which he annually activity is a superior of the property of the property

WASHINGTON, Oct. 17, 1862. If there have been any disastrons reverse at the ballot-box in Pennsylvania and elsewhere, it only proves not that the mighty majority of 1860 has retraced its steps and gone back to the womit of Democracysimply that said majority has shouldered the musket and gene to seal their faith in our republican institutions, with their heart's
